- Even if you think any of the steps are too easy go through them anyway.

MY VOICE

In addition to a detailed plan for each of the 14 days,
I have also prepared **voice recordings for you.**

You have the choice of whether you prefer to listen to my voice or read my instructions.

Each 1 day is 1 recording. In the beginning, You can cum just by hearing my voice. Just kidding... or maybe not?

DAY 1

We'll start slow. I want you to put on a condom, lube your dick well and start masturbating. You can think of me while you do it.

Your goal for today is to cum into the condom. Do it now.

When you do, take it off and take a close look at the cum in the condom.
What do you feel when you see your cum? Disgust? Excitement?

Pour the entire condom into the glass. You have to admit that there is not that much cum, isn't it?

Look at it, but don't smell or touch it.

That's it for today.

For now, you are a Good Boy.
You are far from being a Cum Slut.

DAY 2

Today, I want you to cum on your belly. You are supposed to lie down and do it in this position. You should be proud that cum is touching your body.

Leave the cum there as long as it takes you to get comfortable with it. At least one minute.

Today, however, you can't touch the cum again. You have done nothing to deserve it. Wipe the whole thing off with a paper towel and throw it in the trash.

You still remain a Good Boy.

DAY 3

Once again it is time for a handjob. This time, however, you must deserve to cum. When you feel you are close to ejaculate, stop right away for a minute. Do this 3 times. If you fail, that's the end for today – start again tomorrow.

However, if you manage to do it, the 4th time you can do it. Let the warm cum flood your hand.

How does it feel?

Today you can touch it and play with it in your hands. Get to know its texture and consistency.

Keep it in your hands for one minute and wipe it off.

DAY 4

Today you have to do it without classic masturbation.
Yes, you can't use your hands to cum. What's more interesting, you have to come in your panties.

How will you do it? I don't know.
Try rubbing your dick against something.

When you succeed then stay in those panties
for the rest of the day.

At the very end, smell them.
What do you feel? What kind of smell is it?

Put your tongue on them, and you can even
suck them if you feel comfortable with that.

That's it for today. Good night.

DAY 5

Today you can use a masturbator to come. Yes, you deserve to fuck a fake pussy.

Would you like it to be my pussy? You can't afford it.

To the point. When you feel you are close to cum - you have to do it on your chest, in a lying position. Then stand up and feel the cum running down your body.

How does it feel to be a cum dumpster?

Then put on a T-shirt (or bra if you are into sissy), and get dressed. You can wash yourself only in the evening (at least an hour after ejaculation).

Wear the cum on you with pride, and I will call
You a Naughty Boy.

DAY 6

Today I'm not letting you cum. But you are in for a pleasant surprise anyway - a taste test.

Stroke yourself until precum appears on the tip of your dick. Take it on your finger and put it in your mouth.

Yes, you are supposed to eat your precum.

How does it taste? Is it sweet? Is it salty?

Well done, Naughty Boy.

DAY 7

This time your cum will land on your face. Lie down with hips up and stroke yourself until You cum.

Lie down with cum on your face for 5 minutes.

I am not letting you taste it today. I know you craving it.

I know you want to feel that salty flavor.
Not today.

You are becoming Bitchy Boy. I like it.

DAY 8

On that day, I want you to take care of yourself. Self-care day.

Make yourself a healthy smoothie from a recipe from the internet. If you work out at the gym even better - make yourself a protein shake.

Once you've blended all the ingredients it's time for the most important part - the cumshot.

Add it in and drink it all. Enjoy!

DAY 9

After a healthy day, it is time for a cheat day.

This time you will need an Oreo cookie and a glass of milk.... although a glass of cum would be better.

Dip the cookie in the liquid and eat it. Use all the sperm from the glass on several cookies.

How does it taste, little Bitch?

DAY 10

Make yourself cum onto the plate. Today I'm giving you a free choice - you can do it by handjob, fake pussy or something creative.

When all the cum lands on the plate you have to dip your whole tongue into the cum like a dog. Keep your tongue like this for 10 seconds, and then lick the whole plate.

However, you can't swallow the cum.

Spit it all out, but don't drink any water.

Let the taste stay in your mouth for 5 minutes.

What a Whore...

DAY 11

Once again it is time for a handjob. This time I want you to choose 1 of the 5 fingers on your hand, before giving yourself a handjob.

Did you choose, whore? Great.

Now, do the handjob and wait until your dick stops cumming.
A finger you chose goes into your mouth, and you have to suck on it until you clean it of the cum.
Later, swallow it all.

What about the other 4 fingers? Just wash them.

You don't deserve a whole load yet.

DAY 12

It's time for your Skin Care Routine. Get to the comfortable position and cum on your face.

Spread all the sperm all over your face.

Have you done it? Now apply it to your lips, like a balm.

Them, lick your lips so that the cum gets into your mouth.

At the end, spit it out.

The routine is complete.

DAY 13

A true Cum Slut knows that all cum should be eaten - not only that which goes into his mouth but also that which falls to the ground.

Do you agree?
If not then go back to the previous step bitch.

And if you agree then make yourself ejaculate all the cum onto the floor.

That's right. Get on your knees and lick everything off the floor. Every drop of cum.

You're supposed to eat it all and swallow it. When you're done, open your mouth wide and stick out your tongue in front of the mirror.

Is it clean?

You are entering the right path to become a Real Cum Slut...

DAY 14

This is your last day. I'm glad you made it here. What separates boys from a cum sluts is that a real Cum Slut will do anything to get cum in his mouth and swallow it all. I hope you are aware of this. If not, you can start this program over and rethink your behavior.

However, if you are ready for the final challenge then let's get started. Now you can't use your hands to touch your dick.
You can take them behind your back or tie them up.

What you need to do today is fill a glass with your sperm. Cum in it, but leave it until you are ready to cum a second time.

The second time you can give yourself a handjob.

Start ejaculating and drink the glass with your cum at the same time.

Yes, let you associate drinking cum with something pleasant.
Now, Swallow it all.

Congratulations! You have just become a:

REAL CUM SLUT
