DAY 1

We'll start slow. I want you to put on a condom on your Partner's dick, lube his dick well and start giving him a handjob.

Your goal for today is to make him cum into the condom.
Do it now.

When you do, take it off and take a close look at the cum in the condom.
What do you feel when you see your cum? Disgust? Excitement?

Pour the entire condom into the glass. You have to admit that there is not that much cum, isn't it?

Look at it, but don't smell or touch it.

That's it for today.

For now, you are a Good Girl.
You are far from being a Cum Slut.

DAY 2

Your goal for today is to make him cum. Give him a handjob as long as he needs to cum.

When he ejaculates, don't stop giving him a handjob, using his cum as a lube. Squeeze the last cum drop out of that dick.

Once you've done that, look at your hand, which is all in cum.

How do you feel? Disgust because of the sperm?
Pride because you make him come?

Wash your hands and think about it. That's it for today.

DAY 3

This time your Partner's dick is very sensitive. But it's okay. It's he who is supposed to be satisfied, not you. You are just a tool to satisfy him, so today you won't even have time to reach orgasm when he is done.

You may bring yourself close to orgasm, but you won't reach it today. When you are close he will come out of your pussy and cum on your belly. You are supposed to lie still until you calm down with cum on your belly. You should be proud that he has come just on you.

Today, however, you can't even touch the cum. You have done nothing to deserve it. Wipe the whole thing off with a paper towel and throw it in the trash.

You still remain a Good Girl.

DAY 4

After the last time, your partner's dick has become more solid. (You can lubricate it with a numbing gel or put on a penis ring).

This time, that penis will keep fucking you until you reach orgasm. However, he is still unsatisfied... After you reach orgasm, you must ride him for 3 more minutes and then he will cum.
Not inside you, of course, but on your breasts.

Lie back and watch the cum running down them. After a while, put on your bra, and get dressed. You can wash yourself only in the evening (at least an hour after ejaculation).

Wear the cum on you with pride, and soon you will become a Naughty Girl.

DAY 5

Once again it is time for a handjob. This time when he starts to come and you feel the cum on your hand you can stop.

Are you ready?

Soak the tip of your tongue in the cum on your hand for 3 seconds.

What do you feel? Is it salty? sweet? sticky?

Spit out the saliva.

Congratulations. You've taken the first big step to becoming a real Cum Slut.

How do you feel? Do you feel like getting more? Soon you won't be able to wait for that taste in your mouth.

Very Naughty Girl.

DAY 6

It's time for your first blowjob. Suck a dick with your mouth and he will reward you with the load.

This time he will cum on your face. Lie with cum on your face for 5 minutes.

I am not letting you taste it today. I know you craving it.

I know you want to feel this salty flavor again.
Not today.

You are becoming a Bad Girl. I like it.

DAY 7

On that day, I want you to take care of yourself. Self-care day.

Make yourself a healthy smoothie from a recipe from the internet. If you work out at the gym even better - make yourself a protein shake.

Once you've blended all the ingredients it's time for the most important part - the cumshot.

Ask your Partner to add it in and drink it all. Enjoy!

DAY 8

After a healthy day, it was time for a cheat day.

This time you will need an Oreo cookie and a glass of milk.... although a glass of cum would be better.

Ask Your Partner to cum into the glass. You should help him with that.

Dip the cookie in the liquid and eat it. Use all the sperm from the glass on several cookies.

How does it taste, little Bitch?

DAY 9

Make him ejaculate onto the plate. Today I'm giving you a free choice - you can give him a handjob, blowjob, or let him fuck you.

When all the cum lands on the plate you have to dip your whole tongue into the cum like a dog. Keep your tongue like this for 10 seconds, and then lick the whole plate.

However, you can't swallow the cum.

Spit it all out, but don't drink any water.

Let the taste stay in your mouth for 5 minutes.

What a Whore...

DAY 10

Once again it is time for a handjob. This time I want you to choose 1 of the 5 fingers on your hand, before giving a handjob.

Did you choose, bitch? Great.

Now, do the handjob and wait until dick stops cumming.
A finger you chose, that's in cum goes into your mouth, and you have to suck on it until you clean it of the cum.
Later, swallow it all.

What about the other 4 fingers? Just wash them.

You don't deserve a whole load yet.

FROM 0 TO CUM SLUT

DAY 11

Today you'll give a blowjob again. Suck that dick, choke on it, lick it - do your best to please him. When he starts to cum, take all his load into your mouth, however, spit it all out immediately after.

What do you feel when you give it your all and can't even taste this wonderful treat?

Remember this feeling the next time you want to spit out your cum.

Soon you will become a Blowjob Queen in addition to a Cum Slut.

FROM 0 TO CUM SLUT

DAY 12

A true Cum Slut knows that all cum should be eaten – not only that which goes into her mouth but also that which falls to the ground.

Do you agree?
If not then go back to the previous step bitch.

And if you agree then kneel before Your Partner and beg him to ejaculate all the cum onto the floor.

That's right. Get on your knees and lick everything off the floor. Every drop of cum.

You're supposed to eat it all and swallow it. When you're done, open your mouth wide and stick out your tongue for him to check

Is it clean?

You are entering the right path to become a Real Cum Slut...

DAY 13

You've come really far. I can see that you care about becoming a real Cum Slut. Let's get started.

Put a dick in your mouth, and you again have to make it cum. This time, however, you continue to make a blowjob with cum in your mouth.

Use all cum as lube and suck dick to the last drop of cum. What you have in your mouth you spit out on that dick and then lick it up again, and so on several times.

You guessed very well.
You can't swallow anything that day you Slutty Bitch.

FROM 0 TO CUM SLUT

WITH A PARTNER

DAY 14

This is your last day. I'm glad you made it here. What separates bitches from a cum sluts is that a real Cum Slut will do anything to get cum in her mouth and swallow it all. I hope you are aware of this. If not, you can start this program over and rethink your behavior.

However, if you are ready for the final challenge then let's get started. Today you can't use your hands to touch his dick.
You can take them behind your back or ask your partner to tie them up. All you can do is stimulate it with your slutty mouth.
I advise you to lubricate it well with your saliva because, in today's challenge, it has to be in your mouth until he comes. If you take it out for even a second, wait 2 minutes and start again.

After a full time with his dick in your mouth, it's time for him to ejaculate. Sperm will flood your mouth, and you have to swallow it all. Try not to let anything flow out of your mouth, but if it does, eat all the cum from the dick or the floor.

Congratulations! You have just become a:

REAL CUM SLUT
