COMPLETE THEM ALL TO BECOME THE BEST SUBMISSIVE WOMAN OF ALL TIME

RULES

1. Assume that you have never performed any of these challenges before. **You are starting from scratch.** Do not mark ticks for challenges you once did before starting this challenge.

2. Do the challenges one by one, and don't jump to random challenges. They are arranged from the easiest to the most difficult - **each challenge increases in difficulty.**

3. **You can print the list and attach it somewhere visible to you.** Be careful, however, that no one else sees it! ;)

4. When starting challenge **#1,** enter your **Start date**. When you complete all 100 challenges enter your **End date**. Share how many days it took you to complete all the challenges in a message to me on Etsy, and I'll add you to the **Leaderboard**. There will be great prizes for the best couples!

5. **Put a tick** after each completed challenge. You can move on to the next challenge at any time.

6. **Set your Safe Word.** When it is said you must stop the challenge. Perform it in the next sex session again without using the Safe Word.

OPTIONAL RULES

- You can create your own **Sex playlist** of music while doing these challenges.
- You can stick the **sticky notes** to each challenge, peeling them off when it's time for the challenge to have a bigger surprise.
- **"Sex session"** means the time from the start of a given challenge to orgasm or cum.
- Each of you can change one challenge. It must be replaced by a challenge of similar difficulty and be approved by your Master.
