SLUT CHALLENGES & TASKS FOR WOMAN

This is the ultimate collection of **700 BDSM Slut** tasks designed for 1:1 in-person sessions. These tasks are designed for Dominant men in control of their submissive partners in real-time, in-person dynamics. Each task may involve *physical*, *emotional*, *psychological*, *or fetish oriented elements including bondage*, *oral training*, *degradation*, *cum play*, *orgasm control*, *and objectification*. Use these responsibly, consensually, and within negotiated boundaries. Safe words and aftercare are always required.

- ◯ 1. Strip fully, kneel, and keep eye contact with me, while you call yourself "I am Master's cumtoy" 20 times.
- ◯ 2. Crawl to me, open your mouth, and beg to be used - without using any word.
- ◯ 3. Wear nothing but a collar and leash. Stay on all fours for the next 30 minutes.
- ◯ 4. Lick the floor clean beneath me. I will spit there. Make it shine.
- ◯ 5. Spread your legs, hold them open, and don't close them until I say so — no matter what.
- ◯ 6. Spit on your own pussy, rub it in, and say "This hole belongs to you."
- ◯ 7. Beg me to slap your face. Then thank me after every strike.
- ◯ 8. Put a plug inside you. Ask me if you deserve to keep it in.
- ◯ 9. Lick my boots. No hands. No complaints.
- ◯ 10. Crouch in the corner. Stay silent while I ignore you for 10 minutes.
- ◯ 11. Take my cock in your mouth and hold it until I say your name.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 12. Let me tie you up and blindfold you. Accept whatever happens next in total silence.

◯ 13. Moan my name while I degrade you. The louder, the better.

◯ 14. Look at yourself in the mirror while I fuck you. Say out loud what you look like.

◯ 15. Ask me to spit in your mouth — then swallow without flinching.

◯ 16. Present yourself like an offering. Hands behind your back. Legs open. Eyes lowered.

◯ 17. Touch yourself while calling yourself a used whore. No orgasms unless I permit it.

◯ 18. Let me mark you — bite, slap, scratch. You're mine. I leave evidence.

◯ 19. Beg to be choked. Count out loud while I hold your throat.

◯ 20. Apologize for not being fucked yet today. Offer to fix that.

◯ 21. Take your punishment over my knee — no whining, no hands in the way.

◯ 22. Lick every inch of my cock after I cum. Don't stop until it's spotless.

◯ 23. Let me record you moaning "Yes, Master, I'm your dirty slut." Keep eye contact with the camera.

◯ 24. Kneel on rice for five minutes with your arms behind your back.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 25. Beg for humiliation. Tell me how much you love being degraded.

◯ 26. Wear your gag and vibrator simultaneously. Edge until your legs shake.

◯ 27. Drink from a bowl like a pet. Make eye contact while you do it.

◯ 28. Let me cum on your face and smile while it drips down.

◯ 29. Strip slowly while describing how you want to be used tonight.

◯ 30. Let me spit on your pussy, slap it, and call it mine.

◯ 31. Suck on your dildo in front of me like it's a performance.

◯ 32. Hold your panties between your teeth while I fuck you from behind.

◯ 33. Offer me your throat and whisper "Use me."

◯ 34. Get in the "inspection position" — knees wide, ass up, face down, hands behind back.

◯ 35. Count every slap to your ass — and thank me for each one.

◯ 36. Let me piss on you while you hold still and thank me after.

◯ 37. Ask permission before touching me — even just to kiss.

◯ 38. Let me tie your wrists and ankles. Then say: "I give you full control."

◯ 39. Take a mouthful of my cum and show me before you swallow.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 40. Beg me to call you names. Take every insult like a reward.

◯ 41. Let me stretch you open with toys while you repeat “I’m made to be filled.”

◯ 42. Hold still while I use a crop on your thighs. No flinching.

◯ 43. Sit naked on your knees until I give you a command.

◯ 44. Offer me three punishments. I will choose one. You don’t get to say no.

◯ 45. Take a picture of the bruises after our session. Caption it “Proof I belong to you.”

◯ 46. Wear a collar and nothing else for the next hour — no sitting without permission.

◯ 47. Let me record your orgasm — I decide if you get to watch it later.

◯ 48. Look me in the eyes and whisper your dirtiest thought.

◯ 49. Hold a vibrator to your clit, but don’t cum until I count down from 100.

◯ 50. Ask me: “What can your slut do to earn your cum tonight?”

◯ 51. Strip naked and kneel in front of me. You are not allowed to look up, speak, or move until I place my hand on your head. Every second you wait is a test of your obedience.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 52. Crawl to me with a leash in your mouth. Offer it to me without saying a word, then bow your head and say: “Please claim your slutty pet tonight.”

◯ 53. Lie on the bed, arms and legs wide open. You’ll be restrained, blindfolded, and teased until you beg for my cock like a desperate whore. Then I’ll decide if you’ve earned it.

◯ 54. Take off your panties, hand them to me, and beg me to gag you with them. You’ll wear them in your mouth until I decide your punishment is over.

◯ 55. You’ll kneel in front of the mirror and finger yourself while looking into your own eyes. You will say: “I’m nothing but a slutty cum-hungry whore” between every moan.

◯ 56. Tonight, your body is a canvas. I will write words on your skin with a marker: SLUT, TOY, PROPERTY, USED. You’ll keep them visible until I say otherwise.

◯ 57. I will edge you five times using a vibrator, and you are not allowed to cum. If you do, you will take ten hard spankings for every orgasm.

◯ 58. You will sit naked on the cold floor with a butt plug in and clamps on your nipples. You will count to 200 out loud, and if you lose count or moan, we start over.

◯ 59. You will be gagged and bound to a chair, legs spread wide. I’ll leave you exposed and walk away for 10 minutes. Your task is to remain perfectly still and obedient until I return.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 60. Crawl under the table during dinner. I'll feed you scraps from my plate with my fingers while you stay quiet, like a trained animal.

◯ 61. You'll wear your collar all day and address me only as 'Master'. Any slip-up means an instant punishment - no exceptions.

◯ 62. You will write "I am a worthless cumslut" on a sheet of paper, by hand, while plugged. Each time you pause to whimper, I will add one more sheet.

◯ 63. Lie down and spread your legs. I will slap your pussy 10 times, and you must thank me after each one. If you flinch, I'll start again from the beginning.

◯ 64. Put on the sluttiest lingerie you own. Walk into the room slowly, bend over, and whisper: "This body is yours to punish or to please." Then wait.

◯ 65. You will be bound and blindfolded while I use ice, toys, and my fingers to test your self-control. You're not allowed to speak unless I give permission.

◯ 66. You will kneel with your mouth open, and I will spit in it three times. After swallowing, you'll say: "Thank you for allowing your property to taste your spit."

◯ 67. Tonight, you don't get a safeword. Your only options are 'Yes, Master' or moaning louder. Everything you feel, you surrender to me.

◯ 68. You'll crawl through the hallway with 'SLUT' written on your chest and ass. Each door you pass, you'll stop and say: "Use me, Master."

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 69. I will place clothespins along your inner thighs while you read out loud one of your filthiest fantasies. Your voice must not tremble.

◯ 70. Wear nothing but a pair of heels and stand against the wall, hands above your head. For 15 minutes, you will be my art – touched, slapped, fucked, marked.

◯ 71. Put on a blindfold, kneel, and open your mouth. You will take whatever I give you without question. Taste, texture, temperature – all irrelevant. Obey.

◯ 72. You will write a confession of the dirtiest, most degrading thing you've ever fantasized about. Read it aloud to me while I fuck your pussy.

◯ 73. You'll be instructed to keep three toys inside you at once. You are not allowed to remove them without permission, no matter how full you feel.

◯ 74. Tonight you'll be tied with your legs wide open. I'll alternate between pain and pleasure until you can't tell the difference anymore.

◯ 75. Every beg for orgasm will cost you a spanking. You decide how desperate you're willing to become.

◯ 76. You'll kneel on the floor, nose touching the ground, while I walk around you and describe exactly how much of a disgraceful, obedient fucktoy you've become.

◯ 77. You will hold your vibrator to your clit, edge for 15 minutes, then sit in silence next to me, wet and shaking. You may not speak unless spoken to.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 78. Tonight, I want you to act like my broken little pet. You'll stay on all fours, bark when spoken to, and respond only with whimpers and body language.

◯ 79. You'll offer me your cunt and say, "Master, please take what already belongs to you." Then you'll lie still, absolutely still, until I decide to use you.

◯ 80. You'll be made to wear a butt plug in public under your clothes. Every time it moves inside you, you'll think of my voice in your head saying: 'Good girl.'

◯ 81. You will be tied with your legs in the air. I'll use your mouth while your pussy stays untouched. You may beg for attention, but I'll decide when it's earned.

◯ 82. Let me mark your inner thighs with my belt. You must smile and say: 'Thank you, Master, for the reminder that I'm yours.'

◯ 83. You will present yourself for inspection. I will examine your holes, your scent, your reactions. You're not a woman tonight. You're my possession.

◯ 84. You'll stand facing the corner, hands behind your back, legs spread. I will punish you for no reason other than because I can.

◯ 85. I want you to clean my cock with your tongue after I cum – no hands, no tissues, no hesitation. Look at me while you do it.

◯ 86. Lay on the bed, arms tied above your head. I'll edge you repeatedly, whispering dirty things into your ear until you cry for permission to cum.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 87. Let me tape your mouth and take you with nothing but your body's moans to express your pleasure or suffering. You're not allowed to remove the tape.

◯ 88. You will be ordered to beg for degradation. Each time you beg, I'll choose how to humiliate you – words, pain, or forced obedience.

◯ 89. You'll sit naked on my lap and confess something shameful from your past. I'll decide whether you get to be forgiven, or punished.

◯ 90. Let me cum in your mouth, then hold it. Look me in the eyes while I make you say 'I'm your personal cum bank' – and only then may you swallow.

◯ 91. You'll receive 20 strikes of the cane. For each one, you'll say: 'Thank you for training your little whore to take pain for you.'

◯ 92. You'll kneel beside the bed while I use your mouth. If you gag, you will apologize between thrusts and promise to improve for next time.

◯ 93. Wear your collar, cuffs, and nothing else. I will parade you around the house like my toy. Your only words allowed are 'Yes, Master.'

◯ 94. You'll wear clamps on your nipples and read my favorite filthy paragraph out loud. If your voice trembles, I'll tighten the clamps.

◯ 95. I want you to lick my cum off your body without using your hands. Look me in the eyes while you clean yourself like the obedient slut you are.

◯ 96. Tonight, your holes don't belong to you. I'll use you how I please, and your job is to take it, love it, and beg for more.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 97. Lay flat on your back, hands tied to the bed. You won't cum tonight – your job is to be used, teased, and left aching.

◯ 98. You'll kneel outside the bedroom door. You're not allowed to enter unless you say: 'Master, your whore is ready to serve.'

◯ 99. Let me degrade you while you cum. I want you to moan your title – 'cumslut', 'fucktoy', 'hole' – until your orgasm becomes your confession.

◯ 100. You'll wear a blindfold and noise-cancelling headphones while I take full control of your body. You won't know what I'm using, where it's coming from, or when it ends. You're nothing but a flesh puppet.

◯ 101. You'll kneel naked in a shower for 10 minutes while reciting: "I am nothing but property. I exist for my Master's pleasure and pain." Repetition is control.

◯ 102. Let me put a vibrating egg inside you and duct tape it in place. You will go about your tasks, and every time I activate it, you will freeze, bend over, and whisper "Use me."

◯ 103. You will not speak for 24 hours unless given explicit permission. Any word spoken without consent earns you 10 cane strokes. You will learn the beauty of silence.

◯ 104. Crawl into a dog crate. You will remain there, gagged and collared, for 30 minutes. This is where owned property waits — small, forgotten, and obedient.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 105. You'll be suspended partially in rope, legs open, body exposed. Every inch of you is mine to mark. You will count every slap, bite, and strike — or we start again.

◯ 106. You'll drink from a dog bowl. Water, cum, wine — whatever I decide. You'll do it on all fours, and you'll enjoy it like it's your purpose.

◯ 107. Sit on a butt plug for 20 minutes. You may not shift or complain. Your hole belongs to me, even when you're not being used.

◯ 108. You will beg to be used by something that humiliates you — a toilet brush, a shoe, a filthy object. I want your shame to turn into obedience.

◯ 109. I will put clamps on your labia, attach them to a chain, and tie it to your collar. You move too fast — you hurt. Discipline by design.

◯ 110. Write a 1000-word story about how I break you down mentally and physically. Then read it to me while plugged and tied. You'll orgasm only when the final word is spoken.

◯ 111. You'll be tied down and forced to watch yourself being used in a video I recorded earlier. You must narrate it as if you're proud of every degrading second.

◯ 112. You will masturbate with a hairbrush handle in front of a mirror while calling yourself a worthless hole. If you look away from your own reflection, you'll be denied orgasm for 7 days.

◯ 113. You'll sit on a dildo chair for 30 minutes. If you lift yourself off to rest, I'll tape you down and extend your time.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 114. Tonight, I will speak to you only in insults. Your task is to smile and respond with “Thank you, Master. I love being treated like this.”

◯ 115. Let me spit in your face, slap you, and call you disgusting. You will respond by smiling, crawling to me, and begging for more.
Your shame is power.

◯ 116. You’ll wear a padlock chain around your waist. Any attempt to touch yourself will be punished with 50 paddle strikes. Your pleasure is not yours anymore.

◯ 117. Write 10 reasons why you deserve to be punished. Present the list while kneeling, and I will choose 3 to correct immediately.

◯ 118. You’ll deepthroat a dildo taped to a wall until tears stream down your face. No hands, no breaks, no excuses.

◯ 119. Let me drip hot wax onto your thighs, stomach, and breasts. You will thank me with each drop and smile through the pain.

◯ 120. You’ll wear an anal hook tied to your collar. Every step you take pulls at your holes. You will thank me for letting you be led like a filthy slut.

◯ 121. You’ll be slapped each time you moan during sex. If you remain quiet, you’ll be fucked harder. If you cry, I’ll call it progress.

◯ 122. You’ll stand in front of me, trembling, as I give you the choice: pain, humiliation, or exposure. Whatever you pick, you must say,
“Because I need to feel it to know I belong.”

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 123. You'll be ordered to kneel in the bathroom, open your mouth, and offer it. I may piss in it. Or not. The anticipation is part of your training.

◯ 124. You'll be punished in public — discreetly. A butt plug in a café. A whisper in your ear: "Good girl." You'll blush and thank me without a sound.

◯ 125. You'll be tied down and used by multiple toys at once. I'll film you begging me to stop, while I whisper: "But this is what you asked for."

◯ 126. Your hands will be tied to your ankles. You'll remain in that position while I alternate between fucking your pussy and mouth.

◯ 127. I will slap your tits until they're red, then make you wear clips and walk around the room repeating "These are for Master's pleasure only."

◯ 128. You'll kneel between my legs, naked, hands behind your back. You're not allowed to touch me — only to look, to drool, to crave.

◯ 129. You'll be forced to orgasm while crying. Not out of pain, but of surrender. You'll repeat "I belong to you" until your voice cracks.

◯ 130. Wear a vibrating plug during dinner. I control the remote. Each time you lose composure, you get punished after dessert.

◯ 131. You'll be slapped across the face during orgasm. Not out of anger — but to remind you that pleasure and pain are never separate in this house.

◯ 132. You'll hold your clit in a clothespin and masturbate while whispering your most taboo fantasy. You'll keep going until the pain turns into pleasure.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 133. I'll spit into your holes and use you roughly while you count your blessings out loud — one for each thrust. If you can't think of more, I'll make you cum until you can.

◯ 134. You'll offer me your cum-covered face as proof of obedience. I will smear it across your lips and ask: "Do you love your new lipstick, slut?"

◯ 135. You will stay on all fours for an hour, monitored. Every movement out of position will be punished with a cane. Stillness is submission.

◯ 136. You'll be restrained to the bed. You're not allowed to cum tonight. Your role is to be teased, filled, used — and left empty.

◯ 137. You'll wear a remote-controlled vibe and go for a walk. I'll send a voice note every time you must stop, spread your legs, and say "I'm owned."

◯ 138. You'll confess your darkest shame to me. Then I'll whisper it back into your ear while I degrade you physically and mentally.

◯ 139. You'll offer me your open mouth, and I'll cum deep inside. You won't swallow until I slap your face and say "Now."

◯ 140. You will sleep chained to the foot of the bed, collared and gagged. That's where my toys belong at night.

◯ 141. You'll suck on a dildo covered in lube and cum. When you gag, I'll tell you: "Sluts don't get clean toys."

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 142. You'll be fucked in front of a mirror and forced to maintain eye contact with your reflection the entire time. You'll be made to watch what you've become.

◯ 143. You'll bark each time I snap my fingers. Every wrong sound or hesitation adds 5 strikes to your punishment tally.

◯ 144. You'll cry. I will praise you. You'll beg. I will laugh. And when you scream, I'll say: "Now you finally sound like mine."

◯ 145. Your only way to communicate tonight will be moaning, nodding, and begging with your eyes. I want your words taken from you.

◯ 146. You will kneel in the shower while I pour water over you. You'll repeat: "Clean the filth. Leave the slut." over and over.

◯ 147. You'll be turned into an object — used and stored. Tied to a chair, plugged, gagged, ignored for an hour, then fucked without a word.

◯ 148. You'll be fucked with an object of my choosing — not for your pleasure, but for your humiliation. You'll thank me when it's over.

◯ 149. Suck my cock while watching yourself in the mirror. At every gag, slap your own face and say, "I deserve this."

◯ 150. You will stand fully naked in front of me, eyes closed. I will walk around you in silence for five minutes. Every time I touch you, you will say "Thank you for claiming me, Sir."

◯ 151. You'll be plugged, and bound in a chair while I fuck your throat with a dildo. If you cum, we start over.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 152. Come to me with your **hands tied** behind your back and **full makeup** on. **Beg me** to suck my dick while **I ignore you** until you convince me.

◯ 153. You'll wear nothing but a leash and maid heels. Your task is to clean my dick — with your tongue.

◯ 154. You'll be collared and chained to the bed for the night. Not touched. Not spoken to. Just kept. Owned. Waiting.

◯ 155. You will be used with three different objects. Each one rougher than the last. You must rank them and explain which one broke your pride the most.

◯ 156. I'll pour lube all over your body and drag you by the hair to your "use position." No words. Just body. Just discipline.

◯ 157. You'll present your open mouth for 3 different fluids. You will hold, taste, and smile. "My shame is my offering."

◯ 158. Your arms and legs will be bound to the bed. You won't be able to move an inch. I'll fuck you, slap you, and ignore your tears. You'll thank me afterward.

◯ 159. I'll cum in a condom, and you'll pour it into your mouth and say: "Thank you for feeding me."

◯ 160. You'll be turned into a usable hole. Nothing more. No eye contact. No name. Just use. And you'll love it.

◯ 161. You'll be tied standing, legs apart, with a sign taped to you: "Punish Me." I will do exactly that.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 162. I'll make you apologize for every orgasm I've ever given you. Then I'll make you beg for one more, knowing you won't get it.

◯ 163. You'll be forced to say "I am disgusting. I am disposable. I am yours." before every slap to your cunt.

◯ 164. You will be used with no warm-up. No care. No build-up. Just taken. Because you belong to me.

◯ 165. You'll be locked in the bathroom with a dildo, your leash, and my cum on your chest. You won't come out until you've earned forgiveness.

◯ 166. You will crawl to me in a degrading outfit. Apologize for being too clothed. Remove one piece. Repeat. Until you're naked and humiliated.

◯ 167. You'll wear a collar and nipple clamps while you clean the room in silence. Every mistake costs you a punishment.

◯ 168. You'll look in the mirror and call yourself "a useless, broken fuckdoll" 10 times while fingering yourself.

◯ 169. You'll edge five times with a frozen dildo. You may not cum until your whole body is shivering.

◯ 170. Say ten compliments about my cock while holding it in your mouth. Drool is encouraged.

◯ 171. Your holes will be written on with marker: "USE HERE." I'll take photos to remind you what your body is for.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 172. Put on a school uniform and call me “Daddy.” Ask for discipline like a whore in detention.

◯ 173. You’ll be fucked, marked, then sent to bed without aftercare. Because sometimes good girls don’t deserve softness.

◯ 174. I’ll come in your mouth and make you show it, wear it, then lay with it on your lips.

◯ 175. You’ll sit on a dildo and hold still for 20 minutes. Any movement is met with electroplay punishment.

◯ 176. You’ll bark like a dog, eat from a bowl, and hump the floor. Total animal objectification.

◯ 177. You will confess to something you've never told anyone. I will turn it into your next punishment.

◯ 178. You’ll be gagged with your own wet thong and bent over the kitchen counter. I’ll fuck you until the gag falls. Then I’ll replace it with cum.

◯ 179. You will keep ice cubes inside your cunt until they fully melt. Hold them with your muscles. Let them sting.

◯ 180. I’ll spank your asshole until it’s red and raw. Then I’ll spit on it and push in. You will take it silently.

◯ 181. You’ll record yourself begging to be used by strangers, even if you’ll never send it. The humiliation is your trial.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 182. You'll lie naked on the floor while I read your messages to me out loud. I'll mock you. You'll beg me to stop. I won't.

◯ 183. You'll be forced to orgasm with a toothbrush handle while listening to degrading voice notes.

◯ 184. Sit under the table while I work. Worship my dick in silence. If I catch you making a sound — punishment.

◯ 185. I'll tie your wrists to your ankles, bend you backwards, and fuck your mouth until I cum down your throat. You may not move — or wipe.

◯ 186. You'll be used in front of a camera. No face. Just body. Just holes. Just function.

◯ 187. You'll say: "Please take my soul and break it into what pleases you." And then, I'll begin.

◯ 188. Strip for me slowly, describing what each part of your body is for. I'll correct you if you get it wrong.

◯ 189. You will wear vibrating clamps and a spreader bar during punishment. Every moan makes it harder. Every whimper adds another stroke.

◯ 190. You'll wear a straitjacket while I fuck your mouth. Your only freedom is your tongue.

◯ 191. You'll say "I love being a thing" while being slapped. You'll believe it by the tenth hit.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 192. You'll sit on a dildo in public restrooms for exactly 3 minutes, locked in a stall. Plug in. Plug out. Silent. Humiliated.

◯ 193. I will cum inside you, then use your own fingers to scoop it out. You'll lick them clean.

◯ 194. You'll be made to choose: 50 cane strikes or no orgasms for a month. Either way, you thank me.

◯ 195. You'll take oral, vaginal, anal — in sequence — without rest. That's your job tonight.

◯ 196. You'll be blindfolded, standing in the corner, covered in cum on your face. Stay silent for 30 minutes, or I'll reset the timer.

◯ 197. Put on your sluttiest outfit and walk around your apartment like it's a club. When the music stops, drop to your knees.

◯ 198. You'll kneel beside me, not allowed to speak until I snap my fingers. Then you will say: "Thank you for the silence, Sir."

◯ 199. Hold an ice cube against your clit until it melts completely. You may not flinch or remove it, no matter the sting.

◯ 200. Present yourself naked and oiled, lying flat on your back, eyes closed. Tonight, you're the canvas. I choose the tools.

◯ 201. You will clean the floor using only your breasts and spit. You are to stay silent the entire time.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 202. You'll hold a coin between your thighs for 10 minutes. If it falls — 20 spanks with a crop.

◯ 203. Lick the cum off a dildo. Moan like it's real. Whisper, "I missed this taste."

◯ 204. You'll wear nipple clamps and answer five of my questions without hesitation. Each hesitation earns a twist.

◯ 205. Offer your cunt to be slapped 10 times. Count them out loud and say, "More, please."

◯ 206. Lie naked with your wrists tied and a vibe pressed to your clit.
You may not cum until I say "Now."

◯ 207. You'll be gagged and plugged while I tie you to a chair. You don't need comfort. You need correction.

◯ 208. Wear your dirtiest lingerie under your clothes all day. Text me every time you feel wet.

◯ 209. Hold your hands behind your back while sucking my cock. If you use your hands — punishment.

◯ 211. Repeat: "My pleasure is a gift, not a right." until you cry or orgasm - whichever comes first.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 212. You will wear your collar and wait kneeling by the door. When I enter, you may not move unless told.

◯ 213. Tonight, you'll orgasm from pain. That's your goal. That's your reward.

◯ 214. Serve me drink or food in silence, on your knees, with "Fucktoy" written across your chest.

◯ 215. Be bound in a starfish position while I use a Wartenberg wheel on your entire body. Your reactions tell me where to go deeper.

◯ 216. You'll be my furniture for an hour – footrest, table, or seat. You will be used, not acknowledged.

◯ 217. Make a list of 10 things you want me to do to you. Then beg for the one you fear the most.

◯ 218. Sleep on the floor tonight, naked and collared, to remind you where you belong.

◯ 219. Ask me to spit in your mouth. Then say, "I deserve this." and swallow.

◯ 220. Stand facing a mirror while I fuck you. Narrate what you see in your reflection: not who you are, but what you are.

◯ 221. You'll wear nothing but heels and cuffs. Crawl from room to room until you find me. Ask to be used.

◯ 222. You may touch yourself, but every moan adds a punishment. Learn to orgasm in silence.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 223. Pick your punishment: plug overnight or 100 lines of "I am his to hurt and use."

◯ 224. You'll wear two vibrating toys: one inside, one outside. Edges only. Three times. No orgasms.

◯ 225. Confess a time you disobeyed me, even if I didn't notice. Honesty is your only hope for mercy.

◯ 226. I will cum on your face and mark you with it. You'll look in the mirror and say, "I'm beautiful when I'm owned."

◯ 227. Let me pin you down and slap your face softly over and over. With every slap, say one reason you belong to me.

◯ 228. Spend 10 minutes worshiping my dick. Kiss, lick, suck. If I see hesitation, we reset the clock.

◯ 229. Tape your panties in your mouth and kneel naked with your hands behind your back. Wait in position until I decide you've earned attention.

◯ 230. Be led by leash through your home. Any attempt to hide or resist will be corrected immediately.

◯ 231. You'll lie down with a vibrator tied in place. It's set to tease, not please. No cumming, slut.

◯ 232. You'll be restrained and blindfolded while I choose a random punishment tool. You won't know what's coming until you feel it.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 233. Every orgasm tonight must be earned by degrading yourself. Tell me how worthless your pleasure is.

◯ 234. Take five selfies during the session. Aftercare will only begin once I approve the best one.

◯ 235. You'll kneel and offer me your holes, one by one, whispering: "This one is yours. Use it."

◯ 236. Your task for today is to prepare all the sex toys that you want to be used against you (e.g., ball gag, vibrator, cuffs, etc.). When you're done, lie down on the bed wearing only erotic lingerie and a blindfold, waiting for me.

◯ 237. You'll be my ashtray tonight. Whatever I drop on you stays there. No wiping. No flinching.

◯ 238. You'll bring me a glass of water, kneel, and beg to earn the right to drink from my hand.

◯ 239. Beg for me to fuck you while I call you worthless. If you stop begging — I walk away.

◯ 240. You'll ride your dildo and stare into my eyes while saying "I love how dirty I am for you."

◯ 241. You'll spend the entire evening nude and ignored. Use that time to reflect on how much you need my attention.

◯ 242. Choose your punishment tool from the wall. Then kneel, kiss it, and offer it to me.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 243. You'll wear clamps while masturbating. If you hesitate, I tighten them. If you whimper, I gag you.

◯ 244. You will thank me for every mark I leave. Every mark is a gift. Every scar is proof you belong.

◯ 245. After I'm done using you, you'll clean up while repeating: "I serve, I suffer, I submit."

◯ 246. Apply bright red lipstick. I'll fuck your mouth until it's smeared down your chin. Don't wipe it off. Wear it with pride.

◯ 247. Wear your chastity belt all day. Every time you get wet, text me and say: "My body wants what only you can allow."

◯ 248. You will wear heels, a plug, and no panties under your coat. Walk with confidence. I will be watching you.

◯ 249. Get fully dressed, then strip piece by piece while describing what each item means to your submission.

◯ 250. I'll blindfold you and play different sounds – crop slaps, toys, whispers. You guess each one. Mistakes cost you pain.

◯ 251. You will kiss the mirror wearing only smeared lipstick. Say to your reflection: "I'm nothing but a pretty fucktoy."

◯ 252. You will wear clothes I choose. If I say slut, you dress like one. If I say innocent, you pretend. You don't get a vote.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 253. I'll tie your hands, gag your mouth, and blindfold your eyes. For the next hour, you're just an object. No input. No feedback. No questions.

◯ 254. You'll kneel outside the bedroom door, plugged and blindfolded. You may not enter until I open it.

◯ 255. Write my name across your chest with lipstick. Present yourself for inspection. If it's perfect, you will get cum on it.

◯ 256. I'll send you a random photo of a public place. You must go there, sit for 5 minutes, and text: "Obeyed. Awaiting next command."

◯ 257. Be naked in your collar and lipstick only. You will serve drinks while I ignore you entirely. You are display, not a person.

◯ 258. You will touch yourself with gloves on. No skin. No friction. No satisfaction. Frustration is the lesson.

◯ 259. I will circle you, silently. You are blindfolded, kneeling. I will speak only once, and your task is to remember exactly what I say.

◯ 260. Put on the most elegant outfit you own. Then beg me to rip it off of you. One tear at a time.

◯ 261. Write "Fuckhole" with lipstick on your inner thigh. Leave it there for 24 hours.

◯ 262. You will sleep with the chastity belt on and your hands cuffed. You'll learn what it means to ache for me without touching.

◯ 265. You'll walk into the room and say: "I dressed myself today. Do I look like a slut or a whore, Sir?" Let me decide.

◯ 266. I'll lock your wrists behind your back and cum on your face. You'll smile and thank me for making you pretty.

◯ 267. I will follow you in public for 20 minutes. You won't know when. You'll just know that you are always watched.

◯ 268. Pick your outfit, then list 3 ways it can be used against you. Kneel and whisper them to me.

◯ 269. You'll be tied down. I'll use your holes one at a time. After each one, you'll say, "Thank you for reminding me what I am."

◯ 270. Apply thick mascara and blush. By the end of the session, it should be ruined. That's how I know you did well.

◯ 271. You'll be ordered to orgasm while keeping your eyes closed and mouth open. Sensory control is your obedience test.

◯ 272. You will walk around the house fully exposed while a camera records. I won't use the footage. But you won't forget it.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 273. You'll be caned on your thighs. You'll beg me to go harder, even if you mean the opposite.

◯ 274. Let me whisper your deepest secret back to you while I edge you. Every time I say it, you get closer to breaking.

◯ 275. You will not look at me for an entire session. Your eyes stay down or closed. Looking up earns you pain.

◯ 276. Wear my initials written in permanent marker between your thighs. That space is mine. Mark it.

◯ 277. Send me a photo of what you're wearing. I'll tell you what to take off and when. Don't disobey. Even in public.

◯ 278. Crawl to me with lipstick in your mouth. Apply it in front of me – no mirror, no hands. Then say: "Pretty enough to be ruined."

◯ 279. You'll put in earplugs, wear a blindfold, and kneel. For 30 minutes you'll wait in silence.

◯ 280. Every item of clothing you wear for the next 48h must be approved by me. You are not free to dress yourself.

◯ 281. I'll whisper filth into your ear while you're gagged and spread wide. You may only moan if you agree.

◯ 282. You'll ask me to choose your makeup look for the evening. Then you'll beg to be destroyed in it.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 283. You'll write 20 degrading names for yourself. Read them out while I pull your hair. Own them. Say them with pride.

◯ 284. Spend 5 minutes blindfolded, bent over the bed. Every minute you'll hear a different sound. Every sound is a new edge of fear.

◯ 285. Go to a public restroom, take a selfie in the stall, and text me: "Your little fucktoy is ready to be used."

◯ 286. You'll finger yourself with lube-covered fingers. The messier it gets, the better I'll reward you.

◯ 287. You will speak only when prompted. When not speaking, you must hum softly. If you stop - gag.

◯ 288. Tonight, you don't cum until you humiliate yourself. Use your own words. I want to hear your degradation.

◯ 289. You'll write "Owned" in red across your stomach and wear nothing but a coat. Walk to the mirror. Stare. Moan. Smile.

◯ 290. You will serve me on your knees, blindfolded. If you bump into anything, we reset. Full silence. No excuses.

◯ 291. Place the chastity belt on and hand me the key. Say: "Please protect me from my own filth, Sir."

◯ 292. Take a Polaroid of your cum-covered face. Date it. Title it "Proof of Devotion." Hide it where only you know.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 293. Moan my name with every thrust. If you hesitate, I'll replace my cock with the dick.

◯ 294. Spend the entire session on all fours. No standing. No speaking. Just serve.

◯ 295. You will be asked to choose between removing your gag… or accepting 10 spanks for silence. Decide wisely.

◯ 296. You'll wear the makeup I apply. When I smear it off, you will thank me for the breakdown.

◯ 297. You'll kneel in front of me with a mint in your mouth. Only once I say "Go", may you suck my cock — and you must thank me for the burn.

◯ 298. Lie on your back, hands cuffed above your head. I'll fuck your throat. You keep eye contact. Tears are obedience.

◯ 299. You'll beg to suck my balls, then do it slowly, with your hands behind your back. Every moan earns you a stroke across your cheek.

◯ 300. Hold my cock in your mouth without moving for 60 seconds. It's not a blowjob. It's a reminder of your place.

◯ 301. Ask me to slap you with my dick — across the face. Then whisper: "Thank you for using your slut properly."

◯ 302. You'll suck me while on speakerphone with a friend. You'll keep your voice steady. If you break, you confess why later.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 303. You'll be tied to the bed with your head hanging over the edge. I'll use your mouth until you gag. Your tears are a yes.

◯ 304. After I cum, I'll spit into your mouth and say "Hold it." You may not swallow until I say your name.

◯ 305. You'll keep your eyes open the entire time I use your throat. If you close them, we start over.

◯ 306. You'll look at me, mouth open, and say: "Please ruin my face." You'll earn the facial you beg for.

◯ 308. Crawl to me naked, with mint toothpaste on your tongue. Lick my dick proudly.

◯ 309. You'll suck me while sitting on a plug. Every time you gag, the plug gets pushed deeper.

◯ 310. Lie flat and hold a dildo in your mouth like a gag while I explain how you'll be used. You don't speak. You listen.

◯ 311. You'll cup my balls, kiss them slowly, and say, "I live to worship what gives me purpose."

◯ 312. Ask me for permission to swallow my cum tonight. You must earn it with perfect silence, no hands, and deep eye contact.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 313. You'll wear a leash during oral. I will tug it when I want your mouth deeper. If you resist — no cum.

◯ 314. You'll make me cum on your face, then say: "I feel complete now." You may not clean it off for 30 minutes.

◯ 315. Tape your hands behind your back. Kneel. Offer your mouth without a word. I'll know what you're for.

◯ 316. You'll be on all fours, licking my cock, while I scroll my phone. You're a background task — quiet and useful.

◯ 317. Put a mint between your teeth and hum while you suck. The vibration is your only contribution to my pleasure.

◯ 320. You'll be blindfolded, used orally, then asked: "Where did I finish?" Guess wrong — punishment.

◯ 321. You'll suck me while tied and plugged. If you make a sound louder than a moan, you lose all rewards.

◯ 322. Ask me to hold your head and thrust. Repeat: "Take what you want. I'm just a mouth."

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 323. You'll wear a ball gag for 10 minutes before oral. Let your mouth ache for the privilege.

◯ 325. You'll edge yourself while sucking on two fingers. One for my cock, one for my balls. Think of nothing else.

◯ 326. I'll cum in your mouth, pull out, then slap your cheek. You'll smile and ask for the second round.

◯ 327. Suck me until I cum, then keep sucking. Lick it all off. Make sure I see your tongue clean every drop.

◯ 328. Hold ice in your mouth and beg to suck me. I'll say yes when the cold becomes pain.

◯ 329. You'll suck me while repeating "I was made to serve you." Every time you gag, restart the sentence.

◯ 330. You'll beg to be filmed. Not for porn. For proof. So you can rewatch how good your mouth is.

◯ 331. Tie your hair into pigtails. Get on your knees. Ask to be treated like a filthy school girl who skipped class for cock.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 333. I'll piss in a glass. You'll hold it while I use your mouth. You may not drink until after I cum.

◯ 335. You'll suck on my balls for 5 minutes without touching my dick. Prove your dedication to every part of me.

◯ 336. You'll edge with a vibe while I fuck your mouth. You don't orgasm until I say "Now" and explode down your throat.

◯ 337. Ask me to cum on your tongue, not your throat. Hold it there. Don't swallow. Open wide and smile.

◯ 338. You'll serve oral while wearing a buttplug and nipple clamps. If you pull away — I pull harder.

◯ 339. Suck me off while saying a dirty confession between each stroke. The filthier the confession, the deeper I go.

◯ 340. You'll take photos of your cum-covered face and write "obedience" on your forehead. Send them only to me.

◯ 341. While blindfolded, you'll suck until I finish. Then guess: was I standing? Sitting? Watching porn? Listening to your moans?

◯ 342. You'll lick my dick from base to tip, slowly, three times. Each time, you must say: "You own this. You own me."

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 646. Your only job tonight is to stay hard, wet, open, and present. I do the rest. No words. Just sex.

◯ 647. You'll be restrained on your knees, wrists cuffed behind your back, as I alternate between dripping hot wax on your nipples and running ice cubes along your thighs. Every shift in temperature will be used to confuse, arouse, and punish your resistance.

◯ 648. Before we start, you'll watch a short porn clip while gagged and tied. Your only task is to memorize the filthiest phrase and whisper it back to me right before I fuck you. Get it wrong — you'll be spanked until you remember.

◯ 649. You'll be bent over in front of a mirror. I'll flog your ass until it's red and hot. Then I'll make you watch me fuck you from behind, whispering every insult into your ear that your reflection deserves.

◯ 650. You'll wear a collar and nothing else. Tied to a chair, you'll be forced to sit still while I cool down a metal toy just before it enters your pussy. That sharp gasp — that's the point.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 651. You'll lie face down while I fuck you from behind. No dirty talk allowed — unless it's cruel. I want you to degrade yourself between moans. No praise tonight. Only raw ownership.

◯ 652. We'll fight — you'll say no, and I'll take what's mine. It's a game of strength, moans, and power. Your resistance is foreplay. Your surrender is the prize.

◯ 653. You'll suck my cock while I ice your nipples. When I cum, you'll keep sucking. The cold and heat will fight each other in your mind. Your job is to break in silence.

◯ 654. You'll ride me while looking directly into my eyes. If you break eye contact, I'll slap your face and remind you that you're not the one in control.

◯ 655. Tonight, I want you to try and fight me. Say no, push me back. I'll overpower you slowly, strip you down, pin you to the bed and take you like an animal with no words, only grunts and moans.

◯ 656. You'll kneel in the bathtub as I fill it with water. Your punishment is five minutes submerged to your waist while I finger you slowly. The contrast will ruin your balance.

◯ 657. Your task is to moan as loud as possible. For every time you hesitate, I'll use the crop on your thighs. If the neighbors hear you? You've done your job.

◯ 658. You'll be made to edge while watching porn. You may not touch yourself. I'll whisper commands in your ear and choose whether the video or my voice is stronger.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 659. Tonight's scene begins with you naked and kneeling in the corner. No toys. No touch. Just your own shame and anticipation. After twenty minutes, I'll throw you down and fuck you like I forgot how to be gentle.

◯ 660. I'll tie your ankles to the bedposts and spread you wide. Then I'll use the pinwheel across your stomach, slowly moving lower. When you're begging for real contact, I'll spit on your pussy and leave you waiting longer.

◯ 661. You'll wear high heels and nothing else. You'll strut, strip, and then crawl to me. Your obedience is measured in steps, your surrender in silence.

◯ 662. I'll force you to wear your most innocent outfit while I bend you over the table and fuck you like a slut. Your task: moan like a virgin begging for more.

◯ 663. I'll tie you standing to a wall. As I fuck your mouth, I'll alternate between kind words and humiliating insults. You'll rate each afterward and tell me which broke you more.

◯ 664. You'll sit spread-legged in front of the mirror. I'll stand behind you, whispering every dirty memory we've made while I finger your both holes.

◯ 665. I'll whip your back slowly with leather. You'll count each lash. After twenty, you'll ask for five more — not out of desire, but because I said so.

◯ 666. You'll kneel on a floor, hands behind your back, face on the floor. Every five minutes, I'll walk by and slap your pussy. Say thank you, or I double the time.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 667. I'll fuck you hard while choking you, whispering filthy things like I hate you. When you cum, I'll kiss your forehead and say, "That's why I love you."

◯ 668. You'll lie on the cold tile floor while I drip candle wax on your thighs. You're not allowed to scream — only beg with your eyes.

◯ 669. You'll be tied to a chair, legs wide, as I spank your pussy with a flogger. I want you soaked and shaking before you even get a real touch.

◯ 670. You'll wear a gag and be bent over the bed while I slap your ass until it burns. Then I'll fuck you slowly, one hand on your neck, one on your nipple.

◯ 671. I'll fuck your mouth while you watch yourself in the mirror. After I cum, you'll look into your eyes and say what you really are.

◯ 672. You'll suck me while I heat a small metal spoon. After every gag, I'll touch the spoon to your clit. You'll beg for more... or less.

◯ 673. You'll be strapped to a bench, holes open. I'll fuck you until your legs go numb — and then I'll fuck your throat to remind you you're still mine.

◯ 674. You'll resist every order I give. That's the task. Disobey, fight back, and when I win — because I will — you'll whisper: "You broke me."

◯ 675. You'll kneel in front of the mirror with lipstick smeared across your face and say out loud: "I'm not pretty. I'm usable."

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 676. You'll be ordered to dress up like a proper woman. Heels, makeup, tight dress. I'll fuck you against the wall and call you my street whore.

◯ 677. You'll kneel beside me while I jerk off. Your job is to keep saying "please" until I cum on your face. Then, still begging, you'll lick it clean.

◯ 678. You'll be tied to the window frame, facing the glass, while I fuck you from behind. If someone sees — you moan louder.

◯ 679. You'll wear clothes three sizes too small, stuffed with plugs and clamps underneath. Go for a walk. The pain is yours alone.

◯ 680. You'll wear nothing but a leash. I'll walk you to the bathroom, make you bend over the sink, and fuck you while watching your reflection fall apart.

◯ 681. You'll masturbate while I throw words at you: praise, filth, threats, love. You'll climax only when you truly believe one of them.

◯ 682. You'll be punished with cold. Ice cubes between your thighs, one inside you. No movement allowed. Each shiver earns a finger in your mouth.

◯ 683. I'll drag the pinwheel across your tits, inner thighs, down to your ass. The pain is tiny. The obedience is massive.

◯ 684. You'll straddle me and ride until I say stop. Each moan must be followed with "I belong to you." Miss one? Back to the beginning.

◯ 685. You'll fuck me while wearing a mask. Pretend you're someone else. Make me believe it. Then admit you'd rather be nobody.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 686. You'll be tied to the bed, and I'll set a timer. You get ten minutes of fucking. After that — no more. You'll cry from denial, not pain.

◯ 687. I'll grip your hips and push deep. Your only task is to scream something filthy at every thrust. If you go silent — I'll stop.

◯ 688. You'll be ordered to orgasm while on speakerphone with your best friend. Muffled or not — if she hears, she hears.

◯ 689. You'll kneel on ice and say 20 degrading things about yourself. Each insult earns a kiss. The more cruel, the more reward.

◯ 690. I'll whisper "I hate you" while I fuck you soft. You'll cry not because I mean it — but because it still turns you on.

◯ 691. You'll wear nipple clamps and high heels, walk around the room holding a glass of water on your head. If it falls - deepethroat punishment.

◯ 692. You'll lick the crop before I spank you. After 20 strokes, you'll kiss it again. Then kiss me.

◯ 693. You'll be tied to a pole, gagged, vibrating. Every time you edge, you must look me in the eye and nod. That's your only language tonight.

◯ 694. You'll ride a dildo while reading your favorite childhood story out loud. I want to ruin every memory you ever had.

◯ 695. You'll edge with one toy, fuck yourself with another, and suck a third. No orgasms — just multitasking filth.

SLUT CHALLENGES & TASKS FOR WOMAN

◯ 696. You'll write "CUM HERE" in lipstick on your stomach, then beg me to read it like it's a love letter.

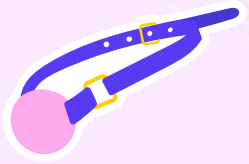

◯ 697. You'll suck my cock while I tell you everything wrong with you. After I cum, I'll list everything I love.

◯ 698. You'll wear a sign around your neck that says "I asked for this." You'll kneel by the door until I let you in.

◯ 699. Your last orgasm will be forced, fingers in both holes, crying into a mirror while I spit: "That's what you get for loving me."

◯ 700. You'll fuck me while trying not to cry. I'll tell you I'll stop if you sob. You'll beg me not to.
