- ☐ 6. **Wrap him in a sheet,** leaving his head and feet uncovered. Tell him you will either face-sit him or tickle his feet for 6 minutes. Give him the choice of what he wants to start with and the option to make 3 changes between the 1st activity and the 2nd.

- ☐ 7. Tie him up and tell him to **beg you to give him a blowjob**. Do it, ruin it, and when he cums he has to beg you to stop.

- ☐ 8. Lie down comfortably and tie his hands behind his back. Tell him to suck your pussy. **Press his head down whenever you want.** Tell him to maintain eye contact with you.

- ☐ 9. He can choose one of the tasks that are on this list and **reverse your roles.**

- ☐ 10. Tie him to a chair and gag him, then lie down on the carpet in front of him and **pleasure yourself with a dildo or vibrator.** Let him watch.

- ☐ 11. Dress like a **goth girl and be clueless to him** and dominate him in any way you want.

- ☐ 12. Tie him to a chair - strap his legs, arms, and body. You can use duct tape for this. Then take a **wand vibrator and play with his dick.** Let him choose: tease and denial or post-orgasm torture? ;)

☐ 13. Today, you will be **working on a laptop/PC.** His job is to be under your desk and please you throughout your work. If you want, you can dress in a secretary's outfit with a short skirt without panties, and additionally tie his hands behind his back.

☐ 14. Let him **wear your thongs for tonight.** You can also put a bra and high heels on him. Have him kneel in front of you with his hands tied behind his back, and give him a handjob until he cums. Then you can shove those wet thongs into his mouth and tape his lips shut. Sit back in your chair and watch him struggle to get free.

☐ 15. Tie his hands behind his back, blindfold him, put a ball gag in his mouth, and tell him to **please himself (cum) in some way** - only then will you release him. Watch him struggle as he is trying to grind over the edge of the table.

- [ ] 16. Tape a **fake pussy to the wall** and tie his hands behind his back. Put a blindfold over his eyes and a ball gag. Order him to fuck the fake pussy for 6 minutes. If he comes too quickly, tell him to keep fucking it or give him a handjob to get post-orgasm torture for up to that 6 minutes. If he doesn't come within 6 minutes, he'll face denial. Don't let him come, and watch him suffer.

- [ ] 17. Tie his hands behind his back, put a blindfold and ball gag on him, and tell him that you will only release him when he **finds a fake pussy that is hide somewhere in the room** and starts fuck it until he cum.

- [ ] 20. Tie him to the bed, in a position that is comfortable for him, so that his dick is exposed. Put a blindfold and ball gag on him and **tease him with any vibrator.** Each time he is close to cum, stop for a few minutes. Repeat this action 7-10 times, and finally, let him cum or ruin his orgasm.

- [ ] 21. **Print out several photos of various objects, sex toys, or other things**, and order him to kneel in front of these photos, blindfold him, and stroke his cock until he comes. From the photo with the most cum on it, choose a sex toy to torture him with.

☐ 22. Hasn't he bought you flowers in a long time? In that case, **buy roses yourself and touch him with rose thorns** all over his body, so he will remember what happens when you don't get flowers.

Sit in front of him and tell him to come up with ideas of what you can do with him. If you like the idea, you decrease the vibration level; if you don't, you increase the level. You can write these ideas down at the same time. In the end, choose one of his ideas and do what he said. Threaten him to come up with good ideas, because it's hard to think during post-orgasm torture...

- [ ] 26. Tie him up and lay him on the floor next to you. Do an **intense workout until you sweat.** Then tell him to admire your body and suck your pussy right after your workout. Yes, sit on his face.

- [ ] 28. Tie him securely to the chair so he can't move. Then **show him the sounding rod and start negotiating.** Let him convince you not to insert the sounding rod into his penis. An orgasm? Cleaning the entire apartment? You're in a winning position. But if negotiations break down, dip the sounding rod in lube and start sounding his dick.

- [ ] 29. If he is disobedient, then tie him up, cover his dick head with tape, and masturbate his dick until he cum. Then, when his dick is sensitive, **rip the tape off his dick** quickly.

- [ ] 30. Tie him up, then **tape the pee hole on his dick**, and additionally block it with your finger. Give him a handjob, looking into his eyes the whole time and smiling, and when he will be cumming, start laughing evilly.
