G&J PASSIONATE PRESS

How to Play the Digital Version? 🎮

Playing is easy! Simply open the provided link on your **phone** or **laptop** and **start the game** - no installation or download required.

Want to play on a bigger screen? 📺

You can easily display the game on your TV:

- **From a laptop:** connect your laptop to your TV using an HDMI cable.
- **From a phone:** use screen mirroring / screen casting to display your phone screen on your TV.

Choose the option that works best for you and enjoy the game together!
