CARD ELEMENTS

Each card shares the same layout – but every card holds ***3 unique challenges*** designed to ***turn your deepest Kinks into reality.***

Front

Back

COMPETITION MODE

Take turns, both **drawing 5** Kink Cards.
For each card you pull, **you must complete tasks from a card in order**, **without skipping** (Level 1 → 2 → 3) **:**

Scoring:

Level 1 = **+1 point**
Level 2 = **+2 points**
Level 3 = **+4 points**

Refusal on **Level 1**= **-4 points**
Refusal on **Level 2**= **-3 points**
Refusal on **Level 3**= **-2 points**

VICTORY

After 5 rounds, the player with the **higher score wins.**
The **Winner** draws one **Kink Card from the opponent's deck** and the **loser** must **complete the Level 3 task** on that card *(as long as it is not a hard limit for a loser).*

His deck

DISCOVER YOUR KINK
Facesitting

Facesitting is a dominance kink where she sits on his face and takes full control of his breath, his movement, and his access to her body. He is pinned beneath her hips, forced to lick, taste, and serve her exactly the way she wants. Facesitting turns his mouth into her tool — she decides how deep, how long, and when he's allowed to breathe. His submission becomes her comfort.

DISCOVER YOUR KINK
Deepthroat

Pro Tip:
Breathe through your nose to reduce gag reflex and let your throat relax.

Tasks for Her:

☐ Kneel in front of your partner and **take his cock into your mouth as deep as you comfortably can**. Hold it there for 5 seconds, focusing on slow nose breathing, then pull back.

☐ Kneel and take his cock deep into your mouth for **3 deepthroat moves in a row.** Take a small breath, then repeat the 3-move sequence again. Focus on steady nose breathing and keeping your throat open.

☐ Lie on your back on the **edge of the bed** with your head hanging down. Let your partner **push his cock in and out** of your mouth deeply, using the perfect angle to enter your throat.

Her deck

DISCOVER YOUR KINK
Deepthroat

Deepthroat is a kink built on breath control, gag reflex, rhythm and surrender. Taking a cock deep into the throat - until it triggers gagging, drooling, tears or shaking - becomes an act of complete submission. The sounds, the wetness, the struggle to breathe, the tightness around the shaft all heighten the domination. Every second of depth becomes a mix of intensity, helplessness and devotion.

He is the Winner

During this final task, the winner is allowed to cum / orgasm.

COOPERATION MODE

No points, no turns – just exploration.

Each partner either:
Choose 1 Kink Card, or
Draws a random card

...and you **explore that kink together at any level** you want.
Perfect for warm-up nights or when you want to test something new without pressure.

IMPORTANT NOTES

You may think you **"don't have" a certain Kink.**
That's **the Whole point of this Game** — the *Level 1 task is always designed to let you safely try it.*

If a Kink truly feels like a hard no:
👉 *Remove that card from the deck.*
Consent comes first.

Start slow: Level 1 tasks are designed for beginners.

Check the boxes to keep track of what you've tried.

Take breaks, drink water, **communicate**,
and enjoy the discovery.

MORE RULES...

SAFE WORD

Set a safe word before starting. Saying it **ends the activity immediately**, and the **task is scored according to the rules.**

ORGASM PENALTY

If you cum or reach orgasm, you lose **-2 points.** You have **10 minutes** to return to the game, otherwise you **automatically lose.**

NO PEEKING

Don't read the tasks in advance. Agree on **hard limits** with your partner before playing. If a forbidden activity appears, you may **swap the card** for another one – but completing it earns you an extra **+2 points.**
