◯ 8. Ask your submissive on what scale from 1 to 100 he thinks he is submissive. Depending on how many he says, tell him to come up with "x" additional tasks to become fully submissive. E.g. If he says he is 80% submissive then tell him to come up with 20 tasks that make him 100%.

◯ 9. Tie up your submissive and tell him to beg you to give him a blowjob, and when he cum he has to beg you to stop.

◯ 26. Get a dog cage and make your submissive sleep there for a few nights. You can padlock your submissive in it and cut holes in it for your pussy so he can suck your pussy. Treat him like a dog or cat during this time and put on the appropriate outfit and equipment - such as a ball gag with a bone, ears, tail, leash, etc.

◯ 27. Tell your submissive to buy unusual clothes and dress himself in them. Let him totally surprise you and dominate him that night.

◯ 28. Dress like a goth girl and be clueless to him and dominate him in any way you want.

◯ 29. Tell your submissive to dress as dominantly as he can. Boots, suit, elegant clothes, or something similar. Make him think that he will dominate You tonight. As soon as the evening arrives, knock it out of his head by tying him up, sitting on his face, and dominating him.

◯ 30. Tie your submissive's hands behind his back and tell him to suck your pussy. However, moments earlier, orgasm while masturbating. Watch your submissive as he struggles to make you orgasm again.

◯ 32. Tie your submissive in the hogtie position and blindfold him. Every so often, walk up to him, lie down and give him your pussy to sniff or lick for 5 seconds. Tell him to be quiet for that entire time, and if he can't stand it, put a ball gag over his mouth and also rub your pussy on him. Do this several times for a few minutes or an hour and watch as he licks your pussy with passion to give you orgasm at the end. If you hear that he has cum then turn off the vibrator for a while then turn it on again after a minute. Put a condom on him so he doesn't make anything dirty with his cum in the closet

When he thinks you've turned off the vibrator, turn on the higher vibration for a few seconds.

◯ 65. Print out several photos of various objects, sex toys or other things and order your submissive to kneel in front of these photos, blindfold him and masturbate his penis until he comes. From the photo with the most cum on it, choose a sex toy to torture him with.
