TASKS AND ACTIVITIES
PART 2

◯ 1. Tie up your submissive, attach the vibrator to the highest level on his dick, and call some hotline. Set the phone on speakerphone and place it next to the submissive so he can't hang up. You can ask something yourself at the beginning to keep the lady talking about something for a long time and watch how your submissive will refrain from moaning.

◯ 2. Instruct your submissive to rent a professional camera for photos. Then do a photo shoot of him when he is tied up, but also during other activities. E.g., take a picture of his face as he kisses your feet or sucks your pussy. You can also set the camera to self-timer and pose with him from a distance - for example, holding your pussy in his mouth. Get creative and tell him that he has to pay you for such a session, but not with money...

◯ 3. Come up with a long scenario for your Sex session. Include positions, toys, dialogues, and even emotions, and give your submissive to learn the script. When he's ready play out your roles together. The scenario can be in the form of a roleplay, where you will play some roles - such as a policeman and a thief, or it can simply be a scenario for training your submissive.

◯ 4. Apply 3 slices of tape to your submissive's body and turn him onto the edge of cum, then peel off the tape firmly. Repeat like this 3 times. Finally, tape his dick, mouth and hands and leave him unsatisfied for an hour.

◯ 5. Tie your submissive's hands behind his back and tell him to watch you as you rub a pussy against some furniture. Order him to memorize the places where your pussy was and lick them thoroughly.

◯ 6. Tell your submissive to order a Sex toy that will be for you. When it is delivered, he has to make You orgasm with this toy.

◯ 7. Give your submissive 100 spankings throughout the day.

◯ 8. Get 3 flashlights, turn them on, and point them at your submissive. Tie him up and order him to suck your pussy.

PART 2

◯ 9. Create 5 gestures with your hands and teach them to your submissive. E.g. Making a circle with your finger in the air is supposed to mean that the submissive is to kneel in front of you. Don't make up obvious gestures. Use these gestures throughout the day, at home or away from home, and if your submissive makes a mistake even once then punish him at night. If he does all the actions well then give him a full-body massage and bring him to cum at the end, but if you want you can tell him that punishment awaits him, so that he will be surprised when instead of punishment there will be cum.

◯ 10. Tell your submissive to do something today, such as dusting the room or vacuuming. After a few minutes, start doing the same thing he did and ask why he didn't do it. If he apologizes to you then kiss him and tell him it was a test. If he argues with you that he did it and even when you tell him to do the same thing again and he won't do it, tie his hands behind his back and force him to suck your pussy, saying that his Mistress is always right and you won't tolerate mouthing off.

◯ 11. Tell your submissive that you fancy him dominating you today. Tell him about your fetishes and put yourself in his hands. Be ready for revenge from him.

◯ 12. Tell him to find a porn video in the femdom category that he wants to play with you. Try to recreate this video 1:1 with him.

◯ 13. Tell him to choose 10 videos on TikTok that are supposed to make you turn on. If it does, record TikTok as he sucks your pussy, and if they don't, record TikTok as you punish him.

◯ 14. Wear the highest high-heels you have. Tie him up, and let him suck that heels as deep as he can. You can stand over him and put them in his mouth while he lies down.

◯ 15. Buy a dildo that is larger than his dick. Tie him up and let him watch You riding that dildo and reaching orgasm.
