50 PUBLIC SEX TASKS AND ACTIVITIES

for Submissive Woman

◯ 1. Get your submissive a remote-controlled vibrator and go with her to the mall. While you shop for a few hours, tease your submissive by testing how she reacts to the different vibrations. At the end of the shopping, go with your submissive to the toilet and give her an orgasm with strong vibrations.

◯ 2. Tell your submissive to give you a handjob on a bench in the park. You can take a blanket to cover your legs.

◯ 3. Kiss your submissive for 5 minutes in a public place where there are a lot of people. You can touch her bottom and boobs to show who your submissive belongs to.

◯ 4. Take your submissive out for a night walk. Put a collar and leash on her and when no one is around command her to walk on 4 paws. Extra points if your submissive does the pee like a real dog.

◯ 5. Fuck your submissive out of the house. It can be in a car in a parking lot, in the woods, in a meadow, in a shopping mall - you choose.

◯ 6. Tell your submissive to talk to a few men during the day. Each phone number earned from a man equals 1 minute of pleasure for her that day.

◯ 7. Go with your submissive to the mall and cover her mouth with tape and put a mask on her face. Someone asked her a question? Observe how your submissive handles it.

◯ 8. Finger your submissive while driving a car. You can also tie her hands behind her seat. Have you driven into a traffic jam? What a pity...

◯ 9. Tell your submissive to give you a blowjob while driving. Keep safety in mind, though, and if you know you won't focus on the road then go on the outskirts of the city or make her do it while the car is in the parking lot.

50 PUBLIC SEX TASKS AND ACTIVITIES

for Submissive Woman

◯ 10. Finger your submissive in a public place (it can be under a blanket or on a couch in a pub) and watch how she suppresses her reactions and moans. If you can do it, bring her to orgasm.

◯ 11. Turn the localizer, on your submissive's phone and tell him to leave the house and go somewhere or drive. Tell him that if you find him he'll have to suck your pussy in the nearest toilet from there.

◯ 12. Write on your submissive's wrist with a marker an offensive phrase like "fuck toy," "cum slut," or "Master's bitch," and go with her to a public place. Tell her to pay for her purchases so that it is visible.

◯ 13. Tell your submissive to record herself playing with some sex toy in a public place. Tell her that she is forbidden to go home until she sends you the video.

◯ 14. Put a blindfold on your submissive and drive her to the other end of town or further away. Set the location on her phone, but change the pin so she can't use it, also take her money. Tell her that her goal is to return home, and if she doesn't return home by evening, find her and punish her at home.

◯ 15. Go with your submissive to a club, but pretend to be strangers. Flirt with her and tell her she can become your submissive if she gives you a blowjob in the toilet.

◯ 16. Tell your submissive that she is forbidden to wear lingerie under her clothes. Order her to wear leggings or a short skirt and a dress or shirt through which you can see her nipples. Go for a walk or to the mall with her.

◯ 17. Go with your submissive to the cinema and tell her to give you a handjob. Tell her that if she's brave she should give you a blowjob too, and you'll reward her after the movie.

◯ 18. Tell your submissive to put on heavy makeup and dress slutty. Tell her to walk around the mall for an hour while you follow her at a distance. Tell her that every male stare at her is 5 seconds of giving you a blowjob. Count those stares.

50 PUBLIC SEX TASKS AND ACTIVITIES

for Submissive Woman

◯ 19. Tell your submissive that you're going out on the town today and you're going to talk to women. Tell her that in the evening you will tie her hands behind her back and put an open-mouth gag on her mouth and every phone number earned is 1 minute of giving you a blowjob that way. In the evening, get your submissive ready and call the numbers you've earned. For every phone call answered by a woman, you gain 1 minute of blowjob. Tell your submissive to appreciate giving you a blowjob, because you could be with these girls at the time. If no one answers, let your submissive go.

◯ 20. Tell your submissive to dress all in black. Tell her to kneel in front of you and give you a blowjob. Tie her hands behind her back. Cum on her black blouse and wipe only with a paper towel so that white stains remain on it. Tell your submissive to go to a public place with cum stains on her clothes. She can go to a coffee shop, for example.

◯ 21. Tell your submissive that she is forbidden to interact with men today and go out on the town with her. She is not even allowed to say "Good morning," "Thank you," or place an order at a coffee shop either. However, if she does, punish her by tying her up and fucking her hard.

◯ 22. Tell your submissive to order a coffee without milk at a cafe - such as an Americano. You, on the other hand, take a small milk jug and cum to it in the café's toilet and pour your cum into your submissive's coffee, and order her to drink it.

◯ 23. Take your submissive on a date to a restaurant. Dress elegantly and make a reservation. Tell your submissive that dinner is on you. Flirt with her and go to the toilet with her after the date. If she is a good submissive then she knows perfectly well what to do, and if she is not yet trained enough then tell her to give you a blowjob in exchange for a date.

◯ 24. Tell your submissive to go shopping and buy only a banana, a large and long cucumber and a pack of condoms. Stand at a distance and observe the reactions of people and the cashier to such purchases.

◯ 25. When your submissive is away from home call her or send her a text message to send you a photo of her boobs with her face within 5 minutes. If she does not make it in that time, prepare a punishment for her

◯ 26. Tell your submissive to put on an anal plug and go with her to a public place where you will be sitting a lot.

◯ 27. Go with your submissive to a meeting with friends, in a public place. Put on your submissive's remote-controlled vibrator and control the vibration while talking to your friends. Don't set the vibration very strong so she can talk normally.

◯ 28. Put on your submissive's remote-controlled vibrator and tell her to put on panties, pantyhose, and tight jeans so she can't put her hand through them. Go with your submissive to the mall and tease her with small vibrations. Once she is wet and turned on go with her to the toilet. Set the vibrations high and tell her that you will only turn them off when you cum while she is giving you a blowjob.

◯ 29. Tell your submissive to go shopping at the mall, and you take pictures of her from hiding. Be like a stalker. You can follow her home and when she wants to close the door, grab the door and forcibly go inside and dominate her.

◯ 30. Tell your submissive to pick out the 3 sexiest outfits and try them on for you in the fitting room. Choose the one you like the most and tell her to give you a blowjob in a fitting room.

◯ 31. Tell your submissive to go into all the stores in the mall (or most of them if it's big) and ask something. Let her build her confidence in public.

◯ 32. Prepare offensive names for your submissive and let her draw one of them. Talk to her like this all day when you're in public.

◯ 43. Pretend to be a fake Uber driver and pick up your submissive. Drive in a different direction than she wants, park in the lot, lock your car, and shell out $500 for the ride. Since she doesn't have that amount of money on her, fuck her in the car.

LUSH, LUSH 4, AND LUSH MINI

◯ 1. You will insert the Lush before we go shopping. I'll keep the app open in my hand and shock you with sudden bursts while you walk beside me. Whisper in my ear what the strangers around us would think if they knew what's inside you.

◯ 2. You will put the toy in before we sit at a café. While you're drinking coffee, I'll raise the intensity slowly. You must keep your face calm while your body betrays you. If you spill your drink or let out a sound, I'll punish you later for being such a careless slut.

◯ 3. You will insert the Lush and we'll ride the bus together. I'll connect through the app and play with the vibrations while you sit perfectly still, legs closed, trying to hide your blush. Every time I turn the toy to maximum, you must look me in the eyes and hold the stare until it ends.

◯ 4. You will wear the toy during dinner at a restaurant. Each time the toy pulses, you must keep eating, pretending nothing is happening.

◯ 5. You will insert the Lush and go for a walk in the park. I'll control it from my phone. You can sit down on a bench, but I'll raise the vibrations even more.

◯ 6. You will wear the toy while we shop for clothes. In the changing room, I'll take out my phone and send you to the edge again and again. When you come out to show me the outfit, you'll be flushed and desperate, pretending nothing is happening while strangers look on.

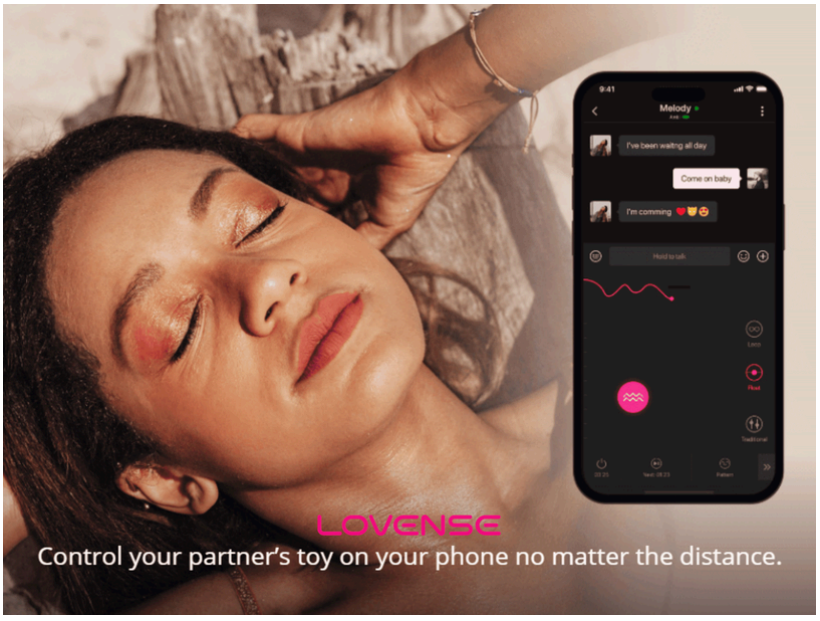

WHY LOVENSE?

Lovense makes the world's most advanced remote-control sex toys.

They connect to an app, which means your partner can control your pleasure from anywhere - across the room, across the city, or across the world. For Real.

With a tap on their phone, they decide your speed and intensity.
Your Partner can choose when you're allowed to finish... or if you'll be denied completely. ;)

Perfect for couples in long-distance relationships, public teasing, or anyone who loves taking or giving up control.

And here's the thing: Lovense isn't just a small brand.
They already have 20+ million customers worldwide, which makes them the global leader in smart sex toys.

And personally? **Their toys are my all-time favorites** - nothing else comes close when it comes to control, creativity, and intensity.
This isn't just "play" anymore. It's control, technology, and intimacy - combined.

HOW DOES IT WORK?

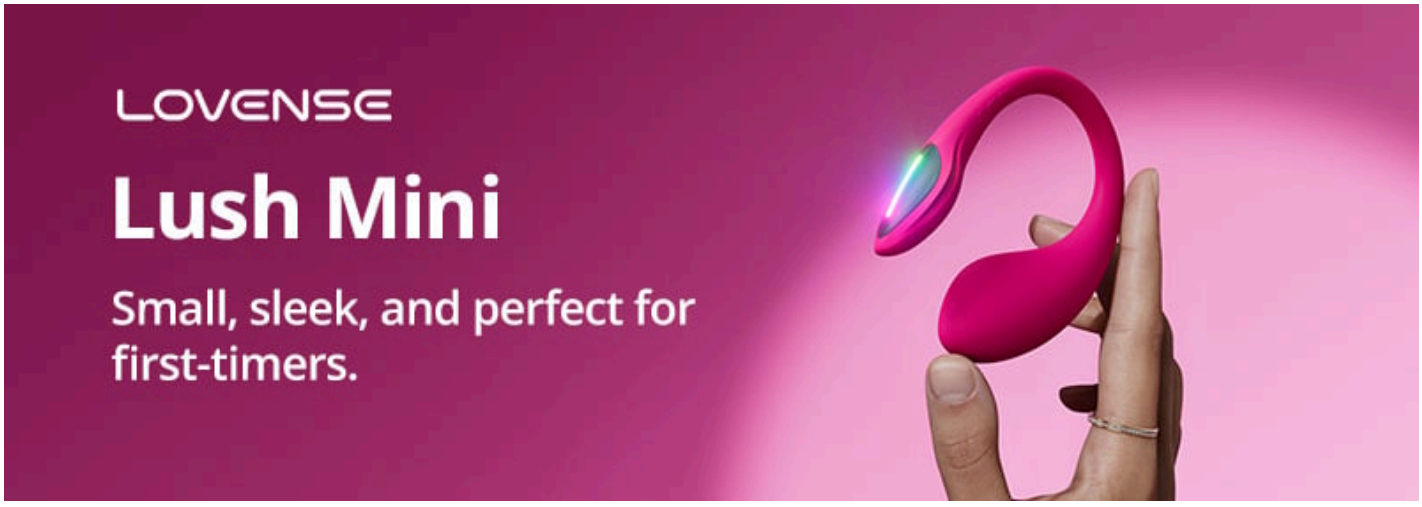

Based on Lovense's newest toy - **the Lush Mini** (which I personally own and highly recommend) - let me show you how it works.

It's super easy: you pair the toy with your phone using the Lovense Remote App. From there, you (or your partner) can control everything - the speed, the patterns, even custom vibes.

If you're close, it works perfectly over Bluetooth. If you're apart, the app connects through the internet, so your partner can take control from literally anywhere in the world. 🌍

The Lush Mini is small, quiet, and powerful, making it perfect for discreet public play, long-distance teasing, or intense solo sessions at home.

◯ 7. You will put the Lush in before we go to the cinema. During the movie, I'll sync the toy with the loudest scenes so nobody notices. Your job is to keep your moans inside, even when the toy has you trembling in your seat.

◯ 8. You will insert the toy before we go to a bar. I'll use the app secretly under the table, turning you into my private show while you're forced to smile and hold small talk with strangers. If anyone notices, you'll be humiliated even more.

◯ 9. You will wear the toy during a car ride. Every time we stop at red light, I'll take my phone and play with you.

◯ 10. You will put the Lush in and we'll enter a shop together. I'll control the vibrations while ordering you to ask the cashier stupid, unnecessary questions just to prolong the torture. The harder you shake, the more obvious it will become.

◯ 11. You will insert the toy before we go to the library. I'll send soft waves while you try to sit quietly and pretend to read. Every time you squirm, I'll punish you with a stronger surge, forcing you to hide your desperation in silence.

◯ 12. You will wear the toy in the elevator. I'll turn it on to maximum during the short ride, forcing you to bite your lip and keep quiet while others stand next to you. If you make a sound, you'll be punished as soon as the doors open.

◯ 13. You will put the Lush in and stand with me in a crowd. I'll activate the toy at random, making you gasp. Your task is to turn every gasp into a fake cough or laugh, hiding what's really happening to you while everyone around is oblivious.

◯ 14. You will insert the toy and we'll go out for a walk at night. On my command, you'll stop in public spots - bus stops, benches, doorways - while I raise the vibrations. You'll stand still, legs slightly open, like a trained whore waiting to be used.

◯ 15. You will wear the Lush while ordering food at a counter. I'll turn it on as soon as you start speaking to the cashier. If you stutter or lose track of your words, I'll keep it running until you finish your order with a red face and trembling voice.

◯ 16. You will insert the Lush before we go grocery shopping. Each time I activate it, you must bend down to pick up an item from the lowest shelf, giving me and anyone nearby a perfect view of your ass while you try to stay composed.

◯ 17. You will put the toy in before we go to a restaurant. Each time I use the app, you must put your fork down and open your mouth slightly as if waiting to be fed. If anyone notices, the humiliation is your punishment.

◯ 18. You will insert the toy and follow me into a store. I'll activate it at random and each time it buzzes, you must compliment a stranger. The stronger the vibration, the dirtier or more awkward the compliment will be.

◯ 19. You will wear the Lush at the cinema. When I send a strong vibration, you must grip my arm like a frightened little slut, pretending it's the movie that's scaring you while in reality it's your toy destroying you.

◯ 20. You will put the Lush in before we sit on a park bench. I'll play with the app, and when the vibrations hit maximum, you must look around casually and smile at strangers, as if sharing a secret no one else knows.

◯ 21. You will insert the Lush before we drive together. At a red light, I'll switch the toy to maximum. You must lean over and take my cock in your mouth while pretending nothing unusual is happening outside the car. If you stop before the light turns green, the toy will stay on full until the next stop.

◯ 22. You will insert the toy before we enter a public restroom. I'll take you into a stall, turn the vibrations up, and force you to suck my cock as fast as the toy is pulsing. You'll swallow quietly while people walk in and out around us.

◯ 23. You will wear the Lush in a parking garage. I'll push your back against the car, turn the toy to full power, and order you to kneel and suck me right there. If you hesitate, I'll grab your hair and remind you that anyone could see you.

◯ 24. You will insert the toy before we ride the elevator alone. I'll use the app to push you to the edge while you kneel down and suck me quickly before the doors open again.

◯ 25. You will wear the toy under a short skirt at the mall. I'll send you to walk a few steps ahead of me while I control the app. Each surge means you must take smaller, slower steps, making everyone notice your body trembling.

◯ 27. You will insert the toy during a movie at the cinema. I'll match the app's vibrations to the action scenes, so you're forced to ride the waves of sound in total silence. Your punishment comes if anyone notices you shifting too much.

◯ 28. You will insert the Lush before we go to a bookstore. Each time I raise the intensity, you must slide a random book off the shelf, pretending to read while your body trembles from the vibrations.

◯ 29. You will wear the toy at the supermarket checkout. When I activate the app, you must smile at the cashier no matter how desperate you feel inside. If you fail to smile, the toy stays on maximum until we leave the store.

◯ 30. You will put the toy in before we visit a museum. Each time I raise the power, you must stand closer to the artwork, pretending to study it deeply, while the vibrations betray your composure.

◯ 31. You will put the Lush in before we take a taxi ride. Each time I raise the toy's power, you must shift your hips slightly in your seat, trying not to let the driver notice. If you fail, I'll push the toy to maximum for the rest of the ride.

◯ 32. You will insert the toy before we go into a fitting room together. While you try on clothes, I'll control the vibrations. Every moan I hear earns you another round of edging before we leave.

◯ 37. You will insert the Lush before we go out. Every time I raise the intensity, you must freeze in place, no matter where we are, until I release you.

◯ 38. You will wear the toy and follow me through the crowd. When I raise the intensity, you must fall a few steps behind me and walk with your head down, like the obedient slut you are.

◯ 41. You will insert the Lush and sit blindfolded in the car, your wrists bound behind your back. At every red light, I'll raise the toy to maximum and grope your body, daring you to hold still while people walk by outside.

◯ 42. You will put the toy in and follow me into a fitting room. You'll beg me to tie your hands behind your back, drop to your knees, and take my cock in your mouth while the toy destroys you from the inside. If you gag too loudly, I'll spank you against the wall.

◯ 43. You will insert the Lush before we park in a quiet lot. I'll tie your wrists to the steering wheel and blindfold you. With the toy buzzing, I'll step out of the car and leave you exposed, trembling, knowing anyone could walk by and see you helpless.

◯ 44. You will wear the toy in public restroom with your panties stuffed in your mouth as a gag. Every time I raise the intensity, you must moan into the fabric, muffled and pathetic, hoping no one notices your humiliation.

◯ 45. You will put the toy in and I'll cuff your wrists behind your back under your coat. In public, I'll control the toy while you walk beside me, pretending everything is normal while secretly bound and dripping.

◯ 46. You will insert the Lush before we take a walk. I'll tie your wrists discreetly under your jacket, and each time the toy surges, you must stumble closer to me, showing everyone your need to be guided like a restrained pet.
