CHRISTMAS SEX TASKS

TASKS 1-20: BASICS

◯ 1. Order her to kneel naked in front of you with Christmas lights wrapped around her wrists. Don't switch them on until she opens her mouth and holds her tongue out exactly the way you want.

◯ 2. Tie a red ribbon tightly around her hips and use it like reins to pull her into your thrusts. Punish every hesitation with a sharp slap.

◯ 3. Make her lie naked under the Christmas tree. Press a cold ornament against her clit, hold her stare, and slide your fingers into her only when she whispers that she's your Christmas slut.

◯ 4. Sit her on your lap in a Santa hat and put a candy cane between her lips. Move it in her mouth at your pace. If the candy cane slips, slap her thighs.

◯ 5. Spread her legs on the floor in front of the fireplace and drag an ice cube slowly along her inner thighs. Stop right before her clit and order her to keep her legs open until the cube melts on her pussy.

◯ 6. Wrap a long red ribbon around her neck like a collar and make her crawl to you. Allow her to use only her mouth and tongue when she reaches you.

◯ 7. Make her stand with her hands behind her head while you circle her with tinsel and Christmas tree lights like you're decorating the Christmas tree.

◯ 8. Bend her over the couch, wearing only red stockings. Trace an ice cube over her ass, then slap the exact same spot. Command her not to flinch.

TASKS 1-25: BASICS

◯ 9. Sit her down with her legs open and a warm mug of cocoa in one hand. Make her touch her pussy exactly how you want while she's forbidden to put the mug down.

◯ 10. Put her on all fours with her face close to the floor. Grab her hair like reins and make her say, "Guide your reindeer, Sir," before you take her from behind.

◯ 11. Lay her on her stomach with a bow stuck above her ass. Remove it with your teeth, pin her wrists down, and fuck her slowly while controlling every breath she takes.

◯ 12. Make her stand naked against the wall and wrap Christmas lights around her ankles to keep her spread. Kneel and lick her until she starts shaking — but do not let her close her legs.

◯ 13. Sit her on her heels with her hands behind her back. Feed her small pieces of candy cane, then push your cock into her mouth before she finishes the sugar so she tastes both at once.

◯ 14. Lift her legs over your shoulders and hold an ice cube against her clit. Slide into her and order her to keep her hips still for 30 seconds. Restart if she moves.

◯ 15. Make her crawl to you with a red ribbon between her teeth. Take it from her hand and tie her however you want — without saying a word.

TASKS 1-20: BASICS

◯ 16. Sit her naked on the cold floor with her knees apart. Warm your fingers by the fireplace and push them into her slowly, making her feel the contrast as she moans.

◯ 17. Put peppermint lube on her tongue and make her lick you from the base to the tip in slow strokes. When you're done letting her tease you, grab her head and set the pace.

◯ 18. Stand her in front of the mirror wearing only a garland. Fuck her from behind and make her watch herself while saying out loud what kind of Christmas slut she is.

◯ 19. Put her on her knees with her hands tied behind her by Christmas lights. Use her mouth until you're satisfied, then push her onto her back and spread her legs with your foot before taking her again.

◯ 20. Tell her to put on an elf costume - she has to pass a "test" to join your personal Christmas elf team. Tie her wrists behind her back with Christmas garland and make her kneel in front of you. Push a candy cane between her lips and order her to suck it while holding eye contact.
Lean in and tell: **"That's it... just a warm-up before the real treat, my little elf."**

CHRISTMAS SEX TASKS

TASKS 21-49: HANDJOB, BLOWJOB, FINGERING, FINGERS SUCKING

◯ 21. Sit her in front of the Christmas tree and wrap a glowing strand of lights loosely around her shoulders. Then take her hands and place them on your cock, ordering her to stroke you slowly while the lights flicker across her skin.

◯ 22. Push her onto her knees on a Christmas blanket. Slide two fingers, still warm from holding a mug of hot cocoa, into her mouth and make her suck them before guiding her head onto your cock.

◯ 23. Sit her on the couch wearing nothing but a Santa hat. Spread her thighs, finger her until she arches, then force her to stroke your cock with both hands using the same rhythm as your fingers.

◯ 24. Dip your fingertips lightly into whipped cream from a holiday dessert tray. Smear a little across her lips, then push your fingers into her mouth and make her suck them clean before she takes your cock.

◯ 25. Stand her beneath mistletoe hanging from the ceiling. Finger her hard with one hand while forcing her to jerk you off with the other. Make her kiss your fingers every time you pull them out of her.

◯ 26. Turn on only the Christmas tree lights and sit her between your legs in the dim glow. Push your fingers deep into her mouth until her lips shine with spit, then use that saliva to command a slow, tight handjob.

◯ 27. Lay her on a soft holiday blanket near the fireplace. Finger her deeply until her hips lift, then guide her hand to your cock and order her to stroke you in perfect rhythm with your thrusting fingers.

◯ 29. Sit her in your lap with her back against your chest, both of you wrapped in a warm Christmas throw. Finger her with two fingers while guiding her hands around your cock, making her stroke you together with your movements.

◯ 30. Lay her in front of the fireplace so the heat hits her thighs. Slide two fingers deep inside her, then pull her wrist back so she gives you a slow handjob without turning to look at you.

◯ 31. Put her on her knees wearing red stockings. Pull a candy cane out of her mouth, coat your fingers with peppermint, and push them back between her lips before replacing them with your cock.

◯ 32. Sit her on a holiday-themed pillow and spread her legs. Finger her slowly while ordering her to stroke you with both hands. If she breaks the rhythm, pull your fingers out and push them into her mouth.

◯ 33. Stand her in front of the mirror with a garland around her shoulders. Finger her from behind, then lift your wet fingers to her lips and make her lick them clean while you jerk yourself in the reflection.

◯ 34. Make her crawl to you across a fluffy Christmas rug. When she reaches you, press your fingers to her tongue and let her suck them before guiding her mouth around your cock.

◯ 36. Sit at the edge of the bed with her kneeling between your legs. Finger her pussy, then her mouth, switching back and forth while using her throat whenever you feel like it.

◯ 37. Tie a red ribbon around her wrists and raise her arms above her head. Finger her slowly, stopping only to shove your wet fingers into her mouth while stroking yourself with your free hand.

◯ 38. Spread her legs in front of the Christmas tree. Finger her deeply, then hold her mouth open and make her suck your fingers one by one while you jerk off above her chest.

◯ 39. Lay her on her back with her legs over your shoulders and a Christmas bow placed above her pussy. Finger her deep until she's dripping, then make her stroke your cock with both hands while you keep your fingers inside her.

◯ 41. Hold her jaw gently, wearing soft red velvet gloves. Let her give you a passionate handjob, then pull your cock out and use the same rhythm to fuck her throat.

◯ 43. Make her kneel with her hands behind her back, wearing a red ribbon collar. Finger her until she's soaking.

◯ 49. Sit in a chair wearing only an open Santa coat. Make her kneel between your legs and finger her pussy while she sucks your cock.

◯ 51. Sit in a chair wearing a Santa hat and place her between your legs. Tell her to make it sloppy — spit running down her chin, her cheeks wet — while you hold her hair and look straight into her eyes.

◯ 52. Stand her under mistletoe and guide her head down your cock. Push until she gags, pull back just enough for her to breathe, then force her deeper again. Make her stare up at you while her eyes water.

◯ 56. Sit her beside the Christmas tree. Tell her to spit into her hand, rub it along your cock, then take you into her mouth until her chin glistens and she can barely breathe.

◯ 151. Make her kneel in front of the Christmas tree with her hands behind her back, ribbon-tied. Cum directly into her mouth and hold her chin up until she swallows everything. Let the tree lights illuminate her throat as she tries to keep it down without spilling a drop.

◯ 152. Lie her flat on a white faux-fur rug, hips spread, her skin warmed by the fireplace. Masturbate over her stomach and breasts until she's covered. Then use your fingers to smear your cum across her chest like warm Christmas body lotion, making her feel every slow stroke.

◯ 153. Finish deep in her mouth while she's tied with garland to the edge of the couch. Don't let her close her lips — she must hold the cum on her tongue until you tilt her head back and force her to swallow slowly.

◯ 154. Cum across her face as she lies under hanging mistletoe, letting your release drip from her cheeks to her lips. Then make her collect what she can with her fingers and lick it clean while the mistletoe brushes her forehead.

◯ 155. Fill her mouth while she's tied spread-eagle to the bed with red ribbon. Keep your hand under her jaw so she can't spit anything out, forcing her to swallow slowly while the ribbon stretched around her neck tightens with each gulp.

◯ 160. Cover her breasts and stomach with your cum while she's wrapped tightly in plastic film from the chest down, her body immobilized like a Christmas package. The heat from your release pools between the plastic and her skin, making her squirm helplessly inside.
