
CHRISTMAS
BINGO
NAUGHTY COUPLE EDITION

BINGO RULES:

1. Each of you gets your own Bingo card.
One card is for Her , and the other is for Him.

2. Each card has 25 squares.
The center square is a FREE SPACE and counts as completed automatically.

3. Every square is one task.
When you complete a task, you may mark it as done.

4. Play for a set period of time.
Choose the duration before you start - till Christmas or for a whole month (until 31st December)

5. Every completed square = 1 point.
You can complete tasks in any order.

6. You get a "Bingo" when you complete a line of 5 squares:

- horizontally,
- vertically,
- or diagonally.

BINGO RULES:

7. The winner is the one who:

- has more Bingos,
- if tied → has more individual completed squares,
- if still tied → see Rule 8.

8. If the result is perfectly tied — same number of Bingos and same number of tasks completed — **you BOTH earn 1 wish.**

Your partner must fulfill the wish.
Wishes must be:

- sexual or sensual,
- safe and consensual,
- realistic and doable,
- clearly defined.

9. You may complete tasks together or separately, but a task counts only for the person who has it on their own card.

HAVE FUN!
