REVENGE CARDS

Card Elements

Each card shares the same layout – but every card holds a unique challenge designed to turn your deepest desires into reality.

Scoring

Scoring in this game is strict – you only earn points for what you actually do. You don't want your opponent to earn points for refusing a task, do you?

Example: 6 minutes

✅ Full task done (6 min) = **3 points**

⚡ More than half time (over 3 min) = **1 point**

❌ Less than half time (less than 3 min) = **0 points**

🚫 Refusal = **-2 points**

G&J PASSIONATE PRESS

REVENGE CARDS

🔄 Revenge Twist

You're free to go as **hard as you want** when completing a task - but remember, a similar type of challenge will come back to you. It's up to you whether **you pace yourself...** or let the game **push both of you past every limit.**

🎯 Goal

Each player must **complete 10 tasks** from their deck.
(*or other number agreed before the game*).

After both players finish their 10 tasks,
points are counted.

🏆 Victory

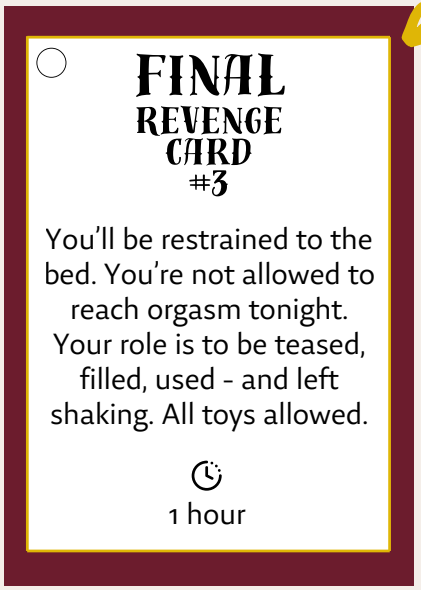

The player with the **higher score wins.**
The winner draws a card from the opponent's **Final Deck** *(special punishments or rewards)* and uses it immediately on their partner.

⚖️ MORE RULES...

🛡️ Safe Word

Set a safe word before starting. Saying it **ends the activity immediately**, and the **task is scored according to the rules.**

🚫 Orgasm Penalty

If you cum or reach orgasm, you lose **-2 points.** You have **10 minutes** to return to the game, otherwise you **automatically lose.**

🙈 No Peeking

Don’t read the tasks in advance. Agree on **hard limits** with your partner before playing. If a forbidden activity appears, you may **swap the card** for another one – but completing it earns you an extra **+2 points.**

⏳ Time Keeper

The partner not performing the task **keeps track of the timer**. If the task ends early, points are awarded according to the **scoring system.**

G&J PASSIONATE PRESS

REVENGE CARDS

OPTIONAL RULES...

Double Dare

Once per game you may attempt to perform your task **for double the time**. If you succeed, you gain **+2** bonus points. If you fail, you lose **-2 points**.

Obedience Penalty

If a player **refuses** or **challenges a command** during a task, they automatically lose **-1 point** (even if they complete the rest).

Final Round Rule

In the last task, **players must go all out** – no shortcuts, **no mercy.**

Pre-Draw Strategy

At the start of the game, both players **draw 10 tasks from their deck** and reveal them (not for each other). Each player may then **decide the order** in which their opponent will perform the tasks.

Solo Challenge

One player performs all 10 tasks in a row. After completing them, they earn **3 Final Cards** to use on their partner **anytime** within the **week**.

∞

FINAL REVENGE CARD #2

FINAL REVENGE CARD #19

No cleanup. No napkins. No tissues. Give me orgasm first and cum anywhere I say - and use only your tongue to erase the evidence.

∞

FINAL REVENGE CARD #20

You have 1 minute to give me orgasm with your mouth. If it won't happen I'll use a vibrator - on myself until I scream during orgasm, while you watch helplessly with a chastity cage on, tied up.

Crawl to me, open your mouth, and beg to be used - without using any word.
I can't touch you.

Lick the floor clean beneath me. I will spit there. Make it shine.

Spread your legs without panties, hold them open, and don't close them until timer stops.
Let me imagine what I would do with your pussy.

2 minutes

Take my cock in your mouth and hold it until the timer ends. Kneel with your hands tied behind your back, keeping eye contact with me.

You will present yourself for inspection.
I will examine your holes, your scent, your reactions. You're not a woman tonight. You're my possession.
