Rules of the game

#1 Colorful Fields

Each field has a name that gives you a hint about the activity hiding underneath.

👉 When you land on a field, you can **buy it** (if it's not already owned).
👉 Once you buy it, you receive a **Game Card** that reveals what the field is really about.

If your opponent lands on your field, you use that Card on him/her. The rules of the card apply - and you're in charge 😈

💡 **Note:** You can only buy a field if you're standing on it. You can't buy a field that your opponent is currently on - even if it looks way too tempting 😏

✅ **Double the time** for each activity (e.g. 4 min → 8 min)

✅ You can use any **sex toy** during those 3 activities (e.g. ball gag, vibrator, paddle)
