She knows the 5-digit code to a database that contains very valuable information for You.
Information that she cannot give you.
Your goal is to get this code from her, digit by digit.
You can be ruthless, torture her and cause her pain, but remember - she has been prepared for this.

#7 SPY

PRO TIP

Wear **elegant dress** (her) and **suit** (him). Set a timer (20 mins) - she has to make him cum before the police arrive.

SCENARIOS

PLOT #1

The search is on for a dangerous woman who is currently hiding in one of the largest buildings in the city. You have been hired to track her down, catch her and hand her over to the police.
In order to hide, the woman enters one of the secret rooms in the building where you currently staying. You lock the door and call the police to come get her.
What will You do when the woman starts kneeling in front of you, pulling down your pants?
Will she succeed in bribing you?
Will You let her go before the police arrive?

#8 TRAPPED EXPLORER

PRO TIP

Start this roleplay with **mummification** - You can put him into sleeping bag or wrap him with cling film and tape him, or **bind him with a bandage**.

SCENARIOS

PLOT #1

The **explorer decides to visit the abandoned temple**. However, he does not know that it contains a **trap** for such an opportunity. When the explorer goes inside, a mechanism is activated that **makes him mummified**, leaving only his mouth and nose uncovered.
He is found by a local woman, who puts the man on the floor and decides to use what is uncovered - **his mouth and penis**, for her pleasure...

#9 SOLDIER 

PRO TIP

Get **Door Cuffs** and handcuff Your Partner. You can use a **whip, spank paddle, riding crop, flogger or even wooden spoon to give him pain**. You can also put **nipple clamps** on his nipples. If he would be too loud put a **ball gag** or put **Your panties to his mouth and tape it**.

SCENARIOS

PLOT #1

The soldier decides to hide at home in enemy territory. However, he does not know that there is a woman inside, who, invading him from behind, stuns him by hitting him on the head. After several hours, **the soldier wakes up naked, being cuffed to the door.** The woman takes her revenge by slapping him on the face, flogging him, and torturing his nipples and his whole body.

#10 KIDNAPPER 

PRO TIP

Go to the dark outskirts of the city at night, where you will first be kidnapped and then transported home. Use non-adhesive tape to tie her up and duct tape to shut her mouth. You can get your friend involved, who will text and call you, or he can just simply call you again and again.

SCENARIOS

PLOT #1

You return home after a party at a friend's house late at night. You find yourself in a suburb where it is dark and you still have an hour's walk home. After a while, a **car stops beside you**, and a **masked man gets out of it and grabs you, ties your hands with tape and tapes your mouth, then throws you into the back seat of the car**. He also covers your eyes so that you don't know the way to his house. When you arrive at destination, kidnapper carries you to your bed and **fuck You in a doggy style position with Your hands tied and mouth shut.**

After a while, a **kidnapped woman starts receiving text messages from her friend, and then the friend starts calling her continuously for 15 minutes.** The concerned kidnapper has to compromise and agree to the kidnapped woman's conditions so that she picks up the phone from her friend and tells her that she has returned home safely.

What will the kidnapper agree to, in order not to be reported to the police by the kidnapped woman's friend?

#11 BURGLAR 

PRO TIP

Prepare **bed cuffs** or **chain your Partner to the bed**. In your jewelry collection, find ones that are **sharp**. If you have l**uxury sex toys** - they will be perfect for this roleplay.

SCENARIOS

PLOT #1

A burglar breaks into the home of a wealthy woman who owns a lot of valuable jewelry. While the burglar is searching the house the woman returns home and catches him red-handed. Cold and unconcerned woman orders the burglar to put the jewelry he took in front of her, and then... strip naked.

The shocked burglar wordlessly obeys the woman's orders, and then he is chained to the woman's bed. The woman decides to **use the jewelry** the burglar wanted to steal, **teasing his nipples and penis with sharp rings and earrings**. As it turns out, the woman has not only a large collection of jewelry, but also **sex toys**, which she is eager to test on the burglar.

#12 DRUG DEALER 

PRO TIP

Late at night, **find an empty parking lot** in your area. You can use **crushed tic-tacs** to imitate cocaine. Also prepare some **zip-ties.**

SCENARIOS

PLOT #1

The girl has a meeting with the dealer, late at night in an empty parking lot.
After receiving a text message from him, she gets into the car, where there is a coke in the glove compartment of his car. However, it turns out that the girl took too little money with her, hoping to negotiate a better price. The pissed off dealer **grabs her hands, twists them behind her back and put zip-ties on her wrists**. She wasted his time, so he **grabs her by the hair and forces her to give him a head.**
What else is the dealer willing to do with her?

#13 MAID 

PRO TIP 

For this roleplay you can get a **sexy maid costume**. He can wear a **suit**.
Prepare **non-adhesive tape to tie her to the table**.

SCENARIOS 

PLOT #1

The owner of the house hires a private maid. She turns out to be a student who badly needs money to support herself, and the job she got was the only one among the 50 offers she sent. The man, finding out about this, decides to take advantage of it. First, **he makes her wear a sexy maid's outfit**, and then he even **chooses the panties for her to wear**. The girl agrees to everything, of course, because of her financial situation.

One day the girl enters the man's office, where he is currently staying. The owner locks the door behind her and puts it in his boxers right in front of her. Then, he grabs her by the hand and **walks with her to his desk, tying her up to it** (her wide open legs to table legs while she is standing, tape her body to the table and tie her hands behind her back).
Now he has access to her from both the front and the back side. The girl protests at first, but hearing about the bonus she will get, she politely **spreads her legs and opens her mouth wide**, giving the man a choice.
After such behavior of a man, will the girl still want to work for him?
Or maybe it will become her new way to earn money...

#14 HYPNOTIZED 

PRO TIP 

Prepare a **blindfold**, something to **tie her up** and a **ball gag**. Find also a r**ecording with a hypnosis for the submissive.**

SCENARIOS 

PLOT #1

The girl meets a hypnotist in order to cure her of her trauma. However, he has rather unusual ways of hypnosis, as the girl finds out. **Hypnotist tied her up** (e.g. in a hogtie position), **blindfolded her, and shut her mouth by a ball-gag**. After a while, the hypnotist puts **headphones** in the girl's ears, and which, to her surprise, do not find hypnosis about her trauma, but... **about submissiveness**. After 30 minutes of hypnosis, the girl begins to appreciate the way she was tied up, and through a ball gag he can hear "Thank You" from her mouth - exactly what she was told to say in her headphones. The hypnotist pulls her ball-gag, and after a while he hears "**I want You to use my mouth to please Yourself, as a thank you for your hypnosis, Master"** - then he knows that the hypnosis has worked.
Of course, he accedes to her request when she opens her mouth wide.
What else will the hypnotist ask for, knowing that the girl will agree to anything?

#15 BOSS 

PRO TIP

During this roleplay, **play pool to choose the winner.** She should wear a **white shirt and skirt**, while he should wear an **elegant shirt and pants**.

SCENARIOS

PLOT #1

To relax after a busy week, the boss takes his assistant to play a pool. They both have feelings for each other, and it will be another opportunity for them to flirt. During the game, a proposal is made by the boss: **“the one who wins has one wish from the other person”.**
- Will the so far modest and shy assistant win and fulfill her dream of dominating her boss?
- Will he win and finally dominate his assistant?
One thing is certain. They both won't give up, and the wish is to be granted at the boss's house.

If she wins:
The boss is shocked standing in front of his assistant after she said her wish (about dominating him). He was even sure they both meant the same thing - about dominating her. Nothing could be further from the truth... he will be perfectly convinced about it by kissing the feet of his new "boss."
If she dominates him well she might even be able to take over his company...

If he wins:
The assistant is shocked standing in front of her boss after he said his wish. She did not expect such a naughty proposition. After a while, however, she kneels in front of her boss with her hands tied behind her back, her shirt unbuttoned and her mouth open, from which saliva drips onto her breasts. Before putting his penis in her mouth, the boss uses this saliva to stimulate the assistant's pussy.
Perhaps from today, this is what their daily cooperation in his company will look like...

#16 REPAIR MAN 

PRO TIP

Put on a **bathrobe** and a **mechanic's suit**. Prepare the **bathroom** for the repairman.

SCENARIOS

PLOT #1

A repairman comes to an apartment owner whose **washing machine has broken down**. The owner opens the door for him while wearing only a **bathrobe**. After a short chat, the repairman begins to repair the washing machine. After several minutes he succeeds and shows the owner what happened. She, looking inside the washing machine (putting her head and hand there) **gets stuck in it.** Making sure that the owner can not get out, he **fucks her in a doggy-style position**. When the owner finally gets out, she turns on the washing machine to see if the washing machine is working. He **fucks her again this time with her body on a washing machine, during a high spin cycle**.

#17 BAD GRADES 

PRO TIP

In both cases, **she wears a skirt and a button-down shirt**. You can also use the **teacher's utensils** such as a **ruler** - to beat, or a **pen**, to write **dirty text on the student's forehead**

SCENARIOS

PLOT #1

One of the students has **really bad grades** and all indications are that he will not pass the year. One day he comes to his teacher after class, and she, knowing the reason for his arrival, locks the door behind him. **She makes him kneel down in front of her** and without a word ties his hands behind his back, then puts a chair in front of him on which she sits down. Pulling up her skirt, under which she has no panties, she looks at her student then says: **"a final grade will be given to you based on your commitment",** after which she grabs him by the hair and pulls him to her pussy.
Will the student bring his teacher to orgasm using his mouth and tongue and pass the year?

PLOT #2

One of the students has **really bad grades** and all indications are that he will not pass the year. One day she comes to her teacher after class, and he, knowing the reason for her coming, locks the door behind her. **He makes her kneel in front of him and without a word ties her hands behind her back, then stands in front of her**. In an instant, he grabs her wrists and ties them behind her back with a rope. His dream of dominating the Queen is close to coming true. He pulls her off the bed, so that **now it is the Queen who kneels before her slave**. However, it turns out that the rope was tied too weakly and the Queen frees herself from it, immediately getting up and overpowering her slave. In such a case, **the death penalty for the slave is due**, but the **Queen intends to punish him in another way - much more severe**. In addition to the punishment of flogging, she also intends to torture his penis and use the slave for her pleasure. Who knows... **he may even rise in the hierarchy of the kingdom if he survives her torture...**

#20 ENEMIES 

PRO TIP

Have really **wild and rough sex** - pretending that You **really hate each other.**

SCENARIOS

PLOT #1

The sales people at one of the corporations are their **biggest enemies.** They even steal each other's clients. One day, due to a power failure, **they are trapped in one of the rooms** where the door cannot be opened due to lack of electricity. Of course, they **start arguing again.**
At one point, a **girl slaps a man in the fac**e, and **he grabs her by the neck and pushes her against the wall**. The girl succumbs to his power and feeling a touch on her intimate zone says after a while: **"Fuck me hard"**. The man picks her up and puts her on the table, tearing her clothes off, then goes deep into her and **fucks her hard as she thrusts her nails into his back.**
Did wild and rough sex finally make them stop fighting?
Or maybe it will be a new way of discharging the tension for them...

#21 UBER DRIVER 

PRO TIP 

Pick up the girl from the place of your choice and then start **flirting** with her.
Find some **empty parking** lot or other place.

SCENARIOS 

PLOT #1

Returning from a party, **you order an uber. The driver is pushy and tries to pick you up**. At some point **he changes course and goes in a different direction** than you indicated on the Uber app. This starts to bother you, but he explains that he knows a better way. When you are stopped on a red light you **try to get out**, however, the **car door is locked**. A short time later, you **arrive at an empty parking lot**, where the driver gets out, then gets into the back seat with you and **starts touching you**. He then **overpowers you and has sex with you.**
